JOHNNY DEPP

SKETCH: YAFIZ SIDDIQUI

Johnny Depp is an American actor, film producer, and musician. He has won the Golden Globe Award and Screen Actors Guild award for Best Actor. Depp rose to prominence on the 1980s television series 21 Jump Street, becoming a teen idol. His most successful commercial film is Pirates of the Caribbean. He has been listed in the 2012 Guinness Book of World Records as the highest paid actor, with $75 million.

"If you catch me saying 'I am a serious actor,' I beg you to slap me.

Life's pretty good, and why wouldn't it be? I'm a pirate, after all.

The only creatures that are evolved enough to convey pure love are dogs and infants.

I think everybody's nuts."

PLEASE! 1 MINUTE

*Artist **Anisuzzaman** loves to experiment with lines, shapes, textures and forms, especially in woodcut printmaking. Currently working as a faculty in the Department of Printmaking of the Faculty of Fine Arts, University of Dhaka, Anis considers one of the significant achievements of his life is to see his disciples bagging success in the woodcut printmaking media. This woodcut specialist talks about his work and inspiration that keeps him going.*

Anisuzzaman

The artist whom you find very inspirational in Bangladesh
Rafikun Nabi.
Favourite Subject
Urbanisation and construction of high-rise buildings in Dhaka.
The colours that you use over and over again
Yellow, sepia, brown and grey
One work that is very close to your heart
My series called Complexity-1
Recent Exhibition
My show called *Verses Written through Water* where I exhibited some of my watercolour paintings.
People who encourage you to work
Monirul Islam, Shahid Kabir and Mahmudul Haque. Their words, appreciation and criticism inspire me to work better.
