

Cover Story 12-19

Communal Terror Continues

Bangladesh's Hindu community has once again been brutally attacked. Following the recent general election, hundreds of Hindus including women and children all over the country were forced to flee their homes because of the fresh round of attacks on them. *The Star* Magazine explores the reasons behind the continuous violence against minority communities.

Thank Global Warming for Freezing You!

The record-breaking chill across the US has restarted the old debate about whether global warming is real.

24-25 Profile

Speaking with No Words

A few days before his 60th birthday on January 18, the legendary mime artist talks about his passion and profession – mime- an art form that goes back to the very origins of human communication.
