Request for Proposal (RFP) for Courier Warehouse System

Biman Bangladesh Airlines invites proposals for a state-of-the-art system to manage data flows into, out of, and around the (soon-to-be-refurbished) courier warehouse at Hazrat Shahjalal International Airport (HSIA) Dhaka, to provide a truly world class courier warehouse, fit for the 21st century.

Objective of the project

Biman Bangladesh Airlines is planning to implement a state-of-the-art Courier Warehouse Management (CWM) System, which needs to have the following functionality.

I. Ability to take input data feeds from all courier companies, airlines, freight forwarders etc. either in the respective booking system used by any of these companies, or a pre-formatted manual input.

II. Such data needs to include full description, bag number, AWB and or House AWB numbers, as applicable, and needs to be hosted robustly, in the event of any systems outage.

III. Processing such data as required by Customs, Security, Handling Agent, etc. into a format useable by each party. This includes linkage with Cargo Spot.

IV. Ability to display, group or interrogate data by flight, date, bag number, AWB, House AWB, consignee or shipper, airline and may other search criteria.

V. Goods will be barcoded, so scanner needed at multiple points, automatically updating the centrally held records.

VI. Note aim is eventually is to offer 'Clearance in the Air' functionality by Customs.

VII. Ability to export data in a number of different formats, to multiple addressees -- consignees, Export Duty Free Zones, Courier companies etc. and to take/update feed in the reverse direction.

VIII. Separately, the system must either update the Courier Company, Airline, Freight forwarder etc. system, in the required format. Or, in the event of manual input, provide output in same format. This for every change of status, i.e. onboard, landed, in warehouse, customs cleared, awaiting collection, collected etc.

IX. Other functionality, as may be required by Customs, Government Organisations, GHAs etc.

Format and presentation of response

The proposal should contain all information requested above, without exception. The main responding document shall cover the sections stated below. However, the bidders may add additional information, as deemed necessary, to highlight the appropriateness/benefits/ detailed features of the proposed solution.

a. Company profile

Please provide company information, as well as experience in the airline/courier domain.

b. Post implementation support

The vendor shall provide information on the post implementation maintenance, hosting and support services. They should also propose a Service Level Agreement, issue resolution methodology, and helpdesk support services and procedures should be clearly highlighted.

c. Standard contract

Vendors to provide the draft contract, which shall incorporate all terms and conditions specified in the contract, along with other terms and conditions specified in this letter.

d. Complementary solutions and services

Vendor to provide details on alternate complementary solutions and services, which can be offered to BG along with their estimated costs.

e. Costs

Full details of any costs, including capital costs, running costs, installation costs, licence fees, renewal costs, communication costs, and any other costs. Vendor should separately indicate any costs for future systems enhancements or upgrades, if any.

f. Hardware

The cost proposal above, should come with a hardware proposal, including as a minimum a) 30 linked computers b) 10 ipads or similar mobile devices c) 8 printer stations d) 10 handheld and 8 static scanners e) all associated support materials and equipment. Vendor should also indicate price for each additional unit.

Special instructions for the vendor

I. Non-compliance of any condition in the RFP schedule will be treated as non-responsive.

II. Proposal is to be submitted to Director Marketing & Sales, Biman Bangladesh Airlines Limited, Head Office, Balaka, Kurmitola, Dhaka-1229, Bangladesh, at any time on or before Bangladesh Standard Time at 10.00 hours (04.00 hours UTC) on 30/01/2014 through courier service and e-mail to [courier2013@bdbiman.com](mailto:courier2013@bdbiman.com).

III. Offer should remain valid for 90 (ninety) days from the date of closing of the RFP.

IV. No unsolicited paper/document/information/approach will be entertained at any stage.

V. As part of the evaluation process, vendors may be requested to present and/or demonstrate the proposed solution in Biman Bangladesh Airlines premises at their own cost. Vendors are required to state their willingness to comply with this requirement in their offer.

VI. Biman Bangladesh Airlines Ltd. reserves the right to accept or reject any or all proposals/offer(s) at any time and/or stage without assigning any reason, whatsoever, and no claim shall be acceptable in this regard.
