INFORMATION FOR APPLICANT

15.	Brief description of the assignment	The Government of the People's Republic of Bangladesh has currently applied for Japan's Official Development Assistance (Japanese ODA) Loan from Japan International Cooperation Agency (JICA) towards the cost of "Haor Flood Management & Livelihood Improvement Project" to manage recurrent flood and enhance living standard through livelihood improvement in 05 (five) Haor districts: Sunamganj, Habiganj, Netrakona, Kishoreganj and Brahmanbaria. A part of proceeds of the loan will be utilized for consulting services for management, design & supervision and other related services for flood management infrastructure development and agriculture promotion support components of the project. The project is of approximately 08 (eight) years duration and expected to be concluded by June 2022. The consulting services will be required for (a) construction and rehabilitation of flood management infrastructures such as embankment (full height/submergible), regulator, drainage channel/canal, etc; and (b) livelihood improvement: agriculture promotion support and small-scale income generation. The consulting firm(s) will have to provide experts and engineers in the field of (a) Designing of flood management infrastructure (embankment, regulator, canal, etc); (b) Tender assistance and procurement management; (c) Construction supervision; (d) Environmental management and resettlement; (e) Natural resources management; (f) Livelihood improvement through agriculture promotion, and small scale income generation; (g) Technology transfer; and (h) Project status report activities. These services will require both national and international consultant inputs.
16.	Experience, resources & delivery capacity required	The consulting firm/JV should have specific satisfactory overseas experience and as well as working experience in developing countries with the similar scope of works stipulated in section 15 above. Experience with Japanese ODA projects and working experience in Haor areas will be preferable. The financial capability should be shown as Financial Turn Over supported by audited financial reports for the last five years. The EOIs would be reviewed on the basis of the following aspects to prepare a shortlist: 1. Registration of firm. 2. Age of firm. 3. Availability of professionals with appropriate skills. 4. Availability of resources. 5. Experience of the firm in similar task. 6. Experience of the firm in other works. 7. Support services of the firm.
17.	Other details (if applicable)	A consulting firm shall be solely, and in case of JV all member firms shall be jointly and severally, liable for the entire performance of the contract. Assigning sub-consultant(s) will require prior approval of BWDB. The consulting firm/JV shall remain responsible for the performance of the sub-consultant(s).
18.	Association with foreign firms is	Applicable
