The port users—Hili Land port C & F Agents Association, Customs Association, Truck Operators Association, Truck Driver Association and workers Federation—

began an indefinite strike on May 14 to press the demands.

The demands are putting an end to giving seal on the manifest of imported goods, harassment by members of Border Guard Bangladesh (BGB), and filing of cases by BGB without informing the C&F agents and importers.

Abul Kashem Azad, president of Hili Land Port C & F Agents Association, has threatened to launch a toughen agitation programme at the land port in Hakimpur upazila of the district if their demands are not met
