SPECIAL FEATURE 42-47

THE DAWN OF THE NEW

There is an interesting movement in music where the scene is not captured by a particular few. More and more musicians are striving to create something new, to offer something original. They are the ones who can't stay still, the ones who have broken free from convention and predictability. Experimenting with new sounds they bring with them something fresh, original and enthralling. *The Star's* **FAYEKA ZABEEN SIDDIQUA** and **UPASHANA SALAM** search for these musical innovators.
