ROBERT DOWNEY JR

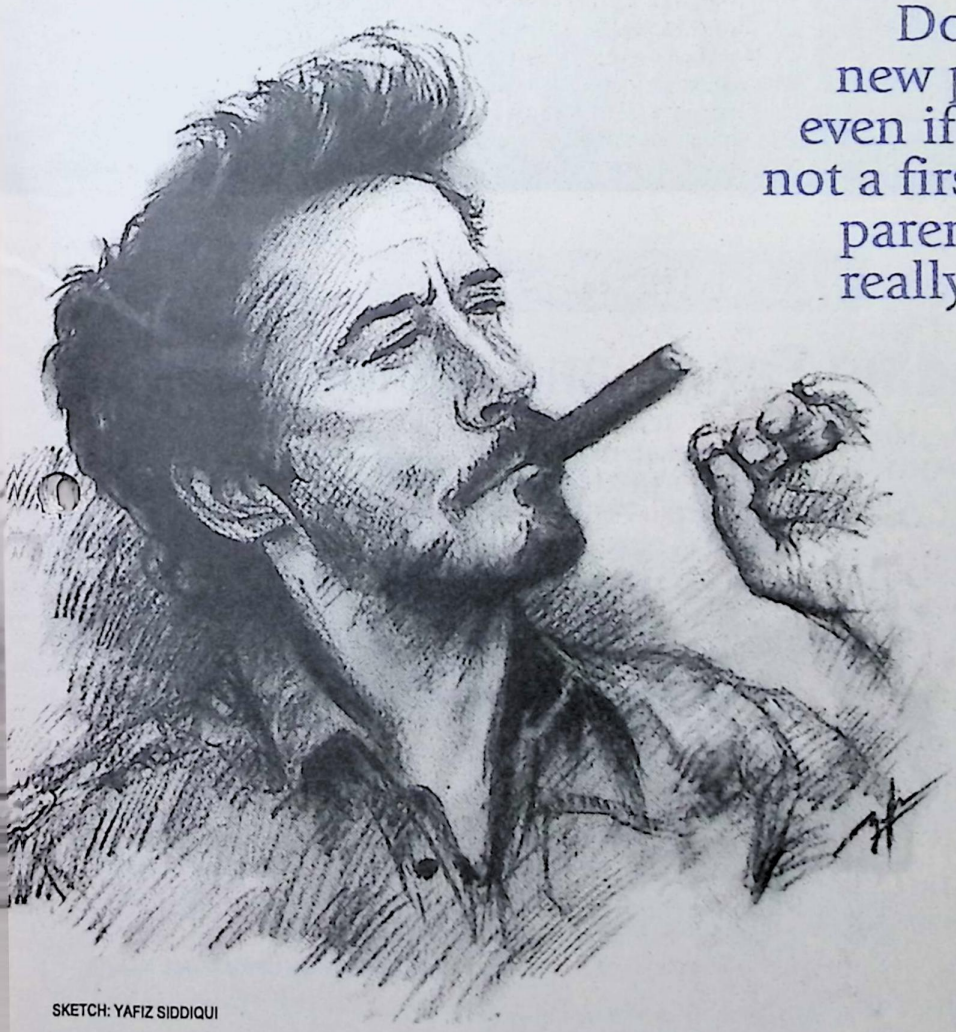

April 4, 1965
Robert John Downey Jr. is an American actor who made his screen debut at the age of five. Downey has starred in six movies that have each grossed over $500 million at the box office worldwide. Two of those films, The Avengers and Iron Man 3, each earned over $1 billion. Downey tops the Forbes list of Hollywood's highest-paid actors with an estimated $75 million in earnings between June 2012 and June 2013.

"I know very little about acting. I'm just an incredibly gifted faker.

I think that we all do heroic things, but hero is not a noun, it's a verb.

Nothing's a break for me. Not even the breaks are breaks.

Does any new parent, even if you're not a first-time parent, ever really know what to do?"
