 Web: www.dutchbanglabank.com

**International Tender Notice**

To provide uninterrupted services to our valued customers through on-line branches and different delivery channels like ATM, POS, e-Commerce, Internet Banking, Mobile Banking and Agent Banking and to maintain business continuity & data availability, Dutch-Bangla Bank has undertaken a project to setup two data centers and one DR site with all the sites fully synchronized. Business will run from both the data centers alternatively.

For supply and installation of i) 3 sets of Enterprise storage solution and ii) 5 units of high-range RISC-based Database servers and 61 units of mid-range RISC-based application servers for the above project, sealed tenders are hereby invited in two envelope system from renowned vendors.

The tender schedule with detailed specifications and terms & conditions will be available from IT Development Division of the Bank during 10:00 a.m. to 4:00 p.m. from July 06, 2014 to July 21, 2014 at a cost of Tk. 25,000/- (pay order in favor of Dutch-Bangla Bank Limited) for each category. The expected bidders should have adequate experience of supply and installation of proposed system in at least 3 Banks/Telco Data Centre within last 03 years.

The quotations have to be submitted in the Tender Box at IT Development Division on or before July 22, 2014 by 3:00 p.m. The technical and financial evaluation of the offers will be made later on.

The authority reserves the right to accept or reject any or all the offers, in part or full without assigning any reason.

 স্বাভাবিক নিরাপত্তা সর্বোচ্চ অগ্রাধিকার

**Request for Expression of Interest (EOI)**

- 1.0 Karnaphuli Gas Distribution Company Limited (KGDC) is a company of Bangladesh Oil, Gas & Mineral Corporation (Petrobangla) under Energy & Mineral Resources Division of Ministry of Power, Energy & Mineral Resources (MoPEMR), is a national gas distribution company in Bangladesh. KGDC intends to install 60,000 pre-paid gas meters for customers in the Chittagong City Area.
- 2.0 The Government of People's Republic of Bangladesh (hereinafter called "GOB") is going to receive ODA loan from Japan International Cooperation Agency (JICA) (hereinafter called "loan") toward the cost of meters installation under the Natural Gas Efficiency Project (hereinafter called "the Project") and intends to apply part of the proceeds of this loan to payments under the Consulting Services for implementation of the Project. KGDC intends to employ a consulting firm for design & engineering, preparation of bid documents for EPC contract, bid evaluation, monitoring and assessment of the Project activities including construction supervision as well as providing advisory services for implementation of the Project.
- 3.0 The Consultants will be selected through Quality Based Selection (QBS) method among the short-listed firms accordance with the "Guidelines for the Employment of Consultants, under the Japanese ODA Loan, April 2012."
- 4.0 KGDC invites EOI from eligible international consulting firms and Joint Ventures (JV) with inputs from both international and local specialists who are interested to render the following services as the Consultants under the Project;
- 5.0 The scope of consulting services is as follows:
  - 1) Services for Pre-Construction Stage
    - a) Project Management
    - b) Review, update and upgrade of Data/Information of Existing Studies
    - c) Site Survey to finalize the customers for pre-paid meter installation
    - d) Basic Design and Engineering
    - e) Cost Estimate based on the Basic Design
    - f) Procurement Assistance (preparation of pre-qualification documents, pre-qualification of applicants, preparation of bidding documents, bid evaluation, contracting, etc.)
  - 2) Services for Construction Stage
    - a) Project management at all levels including periodic review of budget estimate and administration of project cash flows
    - b) Project management for new town area in coordination with CDA, etc.
    - c) Supervision for Detailed Engineering, Procurement, Installation, Commissioning and Testing
    - d) Plan and arrange Public Awareness Building Campaign for efficient use of gas
    - e) Examination of gas price and recommendation to revise
    - f) Assist KGDC for customer management required for the installation of pre-paid meters.
  - Monitoring of training and technology transfer to KGDC operation team by the Contractor
  - 3) Services for Post-Construction Stage
    - a) Inspection and reporting during Defect Liability Period for 12 months.
    - b) Assist for the final acceptance after the defect liability period
    - c) Preparation of project completion report.
- 6.0 The Client will conduct the short-listing of interested consultant firms for the abovementioned consultancy services. The firm should have following previous experiences of the consultancy services including with feasibility study in last 20 (twenty) years. The Consultant is preferable to be certified by ISO9001;
  - 1) Consultancy service related to the establishment of "Pre-paid Gas Metering System" or "Pre-paid Utilities (Water, Electricity, etc.) Metering System".
  - 2) Engineering works for the establishment of facilities related to "Gas Distribution System";
  - 3) Engineering works for "Web-based data Management System"; and
  - 4) Consultancy services such as project management, procurement assistance, engineering and supervision of construction for the "Projects in SAARC countries" that were funded by JICA, WB or ADB.
- 7.0 The EOI should specially include:
  - 1) The firm's registration certificate;
  - 2) Company profile: i.e. established year, management, No. of employee, firm's speciality, track record;
  - 3) The latest annual report;
  - 4) List of the completed consultancy services according to the EOI Forms (Forms are available at website of Petrobangla (www.petrobangla.org.bd) and the office of Project Director.
  - a) Consultancy service related to the establishment of "Pre-paid Gas Metering System" or other pre-paid metering system;
  - b) Engineering works for the establishment of facilities related to "Gas Distribution System"; and
  - c) Engineering works for "Web-based data Management System".
  - 5) Consultancy services (such as project management, procurement assistance, engineering and supervision of construction) for the "Projects in SAARC countries" that were funded by JICA, WB or ADB;
  - 6) ISO9001 certificate
  - 7) Audited financial statement (Balance Sheet, Profit & Loss Account, and Cash Flow Statement) in last 5 (five) years to check for the financial capability.
  - 8) Average annual sales turnover in last 3 (three) years;
- 8.0 Consultants (firms) may associate to enhance their qualification, but should mention whether the association is in the form of a "Joint Venture" or "Sub-consultancy." In case of an association, all members of such "association" should have real and well-defined inputs to the assignment and it is preferable to limit the total number of firms including the associates to a maximum of three.
- 9.0 Expression of Interest must be delivered by 12:00 hrs (noon) BST on 18-08-2014 in sealed envelope to the following address and be clearly marked "Expression of Interest for Engineering Consultancy Services for Installation of Pre-Paid Gas Meter for KGDC."
10. KGDC reserves the right to accept or reject any or all EOIs or annul the process at any stage without assigning any reason thereof.
