This dilapidated road is actually the major highway that connects Bholaganj, which has the country's biggest stone quarry, with Sylhet city. The 35km road, replete with craters, tremendously disrupts vehicular movement. Roads and Highways Department officials blame plying of overloaded trucks for the battered condition while Sylhet Sadar-Companiganj Unnayan Forum yesterday announced a 17-day programme, including a human chain, from July 11 to pressurise the government for repairing the road immediately. The photo was taken in Bholaganj on Wednesday. PHOTO: STAR

Khaleda calls for movement

In her brief speech, she urged all not to use farmlands for any other purpose. "It's not right to construct multi-storey buildings, shopping malls or industrial units on farmlands," she said.
"Lands for agriculture will shrink if we do so," Khaleda said, adding that it would create a deficit in farm production, making the country dependent on imports, which

would be harmful.
Portraying a sorry state of the country, she said farmers were not getting fair prices of food grains, and they were not getting electricity, gas and water to produce crops.
People are fed up with the present situation of the country, she said. "We will have to wage a peaceful movement to oust the government after Eid."

Prof Anil Chandra Dev, chairman of the department, said, "I have directed the exam committee to publish the result immediately."

could not cater to a huge city population.
"The agency's annual management cost has increased to Tk 330 crore while its revenues add up to Tk 597 crore. That's why this small revenue can't help achieve the development desired by the city dwellers."
The budget kept Tk 150 crore each for road and drainage system development in Kamrangirchar and for development

of Dhaka-Demra road, Dhaka-Narayanganj road and Chittagong Road.
About Tk 150 crore was allocated for development of roads, drains and footpaths in Jurain area and at places adjoining Mayor Mohammad Hanif Flyover.
In the waste management sector, the allocation has drastically dropped from Tk 3 crore to only Tk 50 lakh. However, the administrator said seven secondary transfer stations for house-

hold waste would be built this fiscal with funds from the Asian Development Bank (ADB).
For development programmes, the DSCC will rely more on funds from government and donor agencies.
The DSCC expects to receive Tk 763.99 crore as government grants, foreign finances and private sector investments, while the total development budget is Tk 1,165.33 crore.

MARITIME BOUNDARY VICTORY FBCCI hails Hasina

UNB, Dhaka

The Federation of Bangladesh Chambers of Commerce and Industry (FBCCI) has welcomed Prime Minister Sheikh Hasina and her government on the victory over maritime boundary dispute with neighbouring India.
In a statement, the FBCCI yesterday said Bangladesh had won another maritime boundary dispute with India after the last one with Myanmar.
On July 8, the Permanent Court of Arbitration at The Hague in the Netherlands resolved the long-lasting maritime dispute with India and Bangladesh establishing Bangladesh's right to 19,467 square kilometres in the Bay of Bengal.
The FBCCI hopes that the complications in leasing out blocks to explore mineral resources in the Bay would be resolved now, the statement added.

General Secretary of Bangladesh Adivasi Forum Sanjeeb Drong said if the government believed that the state belonged to all citizens, including the indigenous people, it must punish the attackers.
Workers Party lawmaker Fazle Hossain Badsha and noted columnist Syed Abul Moksud also spoke at the event.
