

WARRANTS AGAINST 46 DESTINY STAFF Cops again ordered to make arrests

COURT CORRESPONDENT

A Dhaka court yesterday ordered police for the third time to arrest 46 staff of Destiny Group including its Managing Director Rafiqul Amin's wife Farah Diba in two money laundering cases involving around Tk 4,200 crore.

The court asked police to submit reports on execution of the order by September 17.

Earlier on June 11, the same court issued arrest warrants against the accused and directed officers-in-charge of different police stations concerned to submit reports on execution of the order.

On July 13, the court had ordered police to arrest the 46 for the second time.

The Anti-Corruption Commission (ACC) on May 4 pressed charges against 51 people accused in the two cases.

Of the accused, Destiny 2000 President Lt Gen (ret'd) Harun-Ar-Rashid is on bail, while Rafiqul and three other accused are now behind bars and the 46 are fugitives.

by the investigation officer on June 11.

On April 11, 2013, during an opposition's hartal three people were killed and around 200 were injured as Hefajat-e-Islam and Jamaat-e-Islami activists along with locals clashed with AL men at Bhujpur following a rumour that the marchers killed a local madrasa principal.

The attackers also set fire to around 150 vehicles, including 100 motorbikes and a firefighting vehicle.

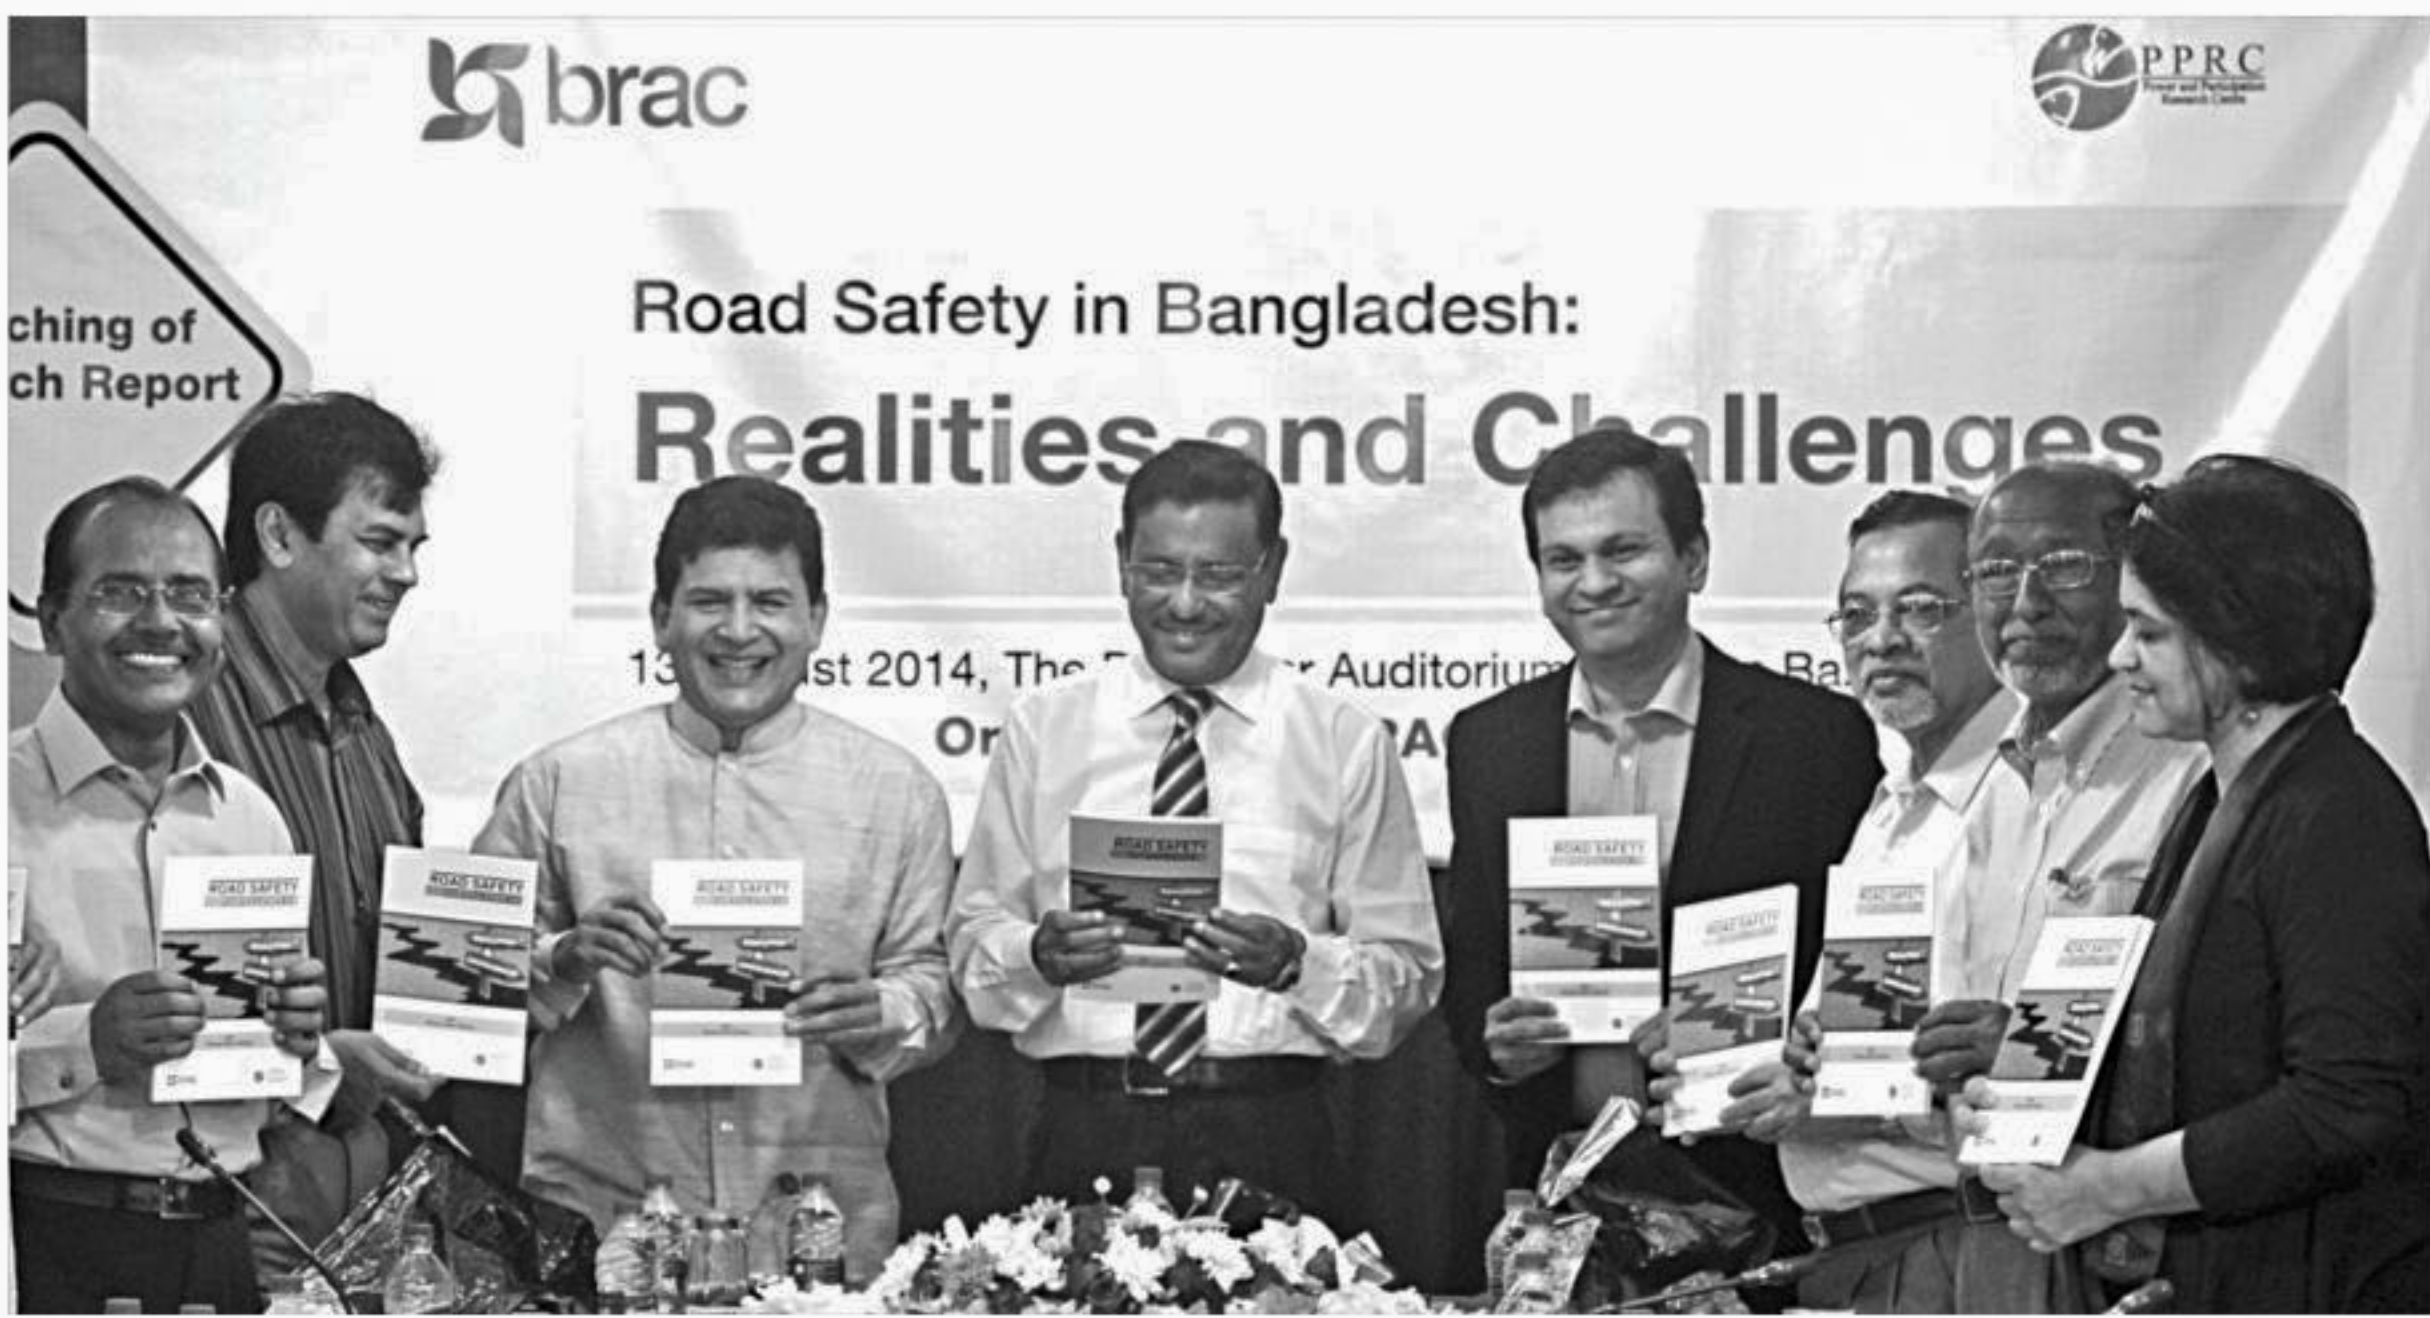

Five cases were filed with Bhujpur Police Station accusing more than 16,471 people, including 471 named.

treatment in three hospitals before being released without a full recovery. After 19 months, she was diagnosed with cancer from sores in the liver. Her treatment was primarily funded by an NGO but it could not afford it for long, Hosen said. Amena had been admitted to BSMMU in June.

Because of a lack of proper treatment, at least four injured victims, all females, living in Savar's Nischintapur, developed serious complications. Mukta Banu is suffering

from hearing loss, Nasima from neurosis, Halima Akter from kidney diseases, and Zarina Akter from a displaced backbone.

One injured victim, Sumaiya Khatun, 16, died on March 21 from a cancerous brain tumour.

BGMEA had given Tk 7 lakh each to the families of 99 deceased workers.

Zaglul Hayder, the additional secretary of BGMEA, said Sumaiya was not considered a deceased victim, while the matter of Amena was yet to be decided.

Kabir was rushed to ICU and he died there, said the sister, adding that at first, the doctors kept the fact that Kabir died hidden.

"They let us know at 8:00pm," she said.

As the news spread, around a hundred people vandalised the hospital building. On information, Jalalabad police rushed to the spot and brought the situation under control. A GD was filed in this regard.

Meanwhile, three people including Dr Golam Mostafa and the nurse who administered the injection have been suspended.

"We have also formed a three-member committee to investigate the incident," said Maj Gen (ret'd) Nazmul Islam, principal of the college, yesterday.

The committee has been asked to submit a report within three days.
