# Floods spread to fresh areas

## 2 drown in Jamalpur; ferry services interrupted

STAR REPORT

More villages and croplands were inundated and over 200 families displaced due to river erosion and an increase in water levels of the Teesta and other rivers in Lalmonirhat, Jamalpur and Netrakona yesterday.

Meanwhile, strong currents in the Padma interrupted ferry services on the Mawa-Kawrakandi route, causing severe traffic congestion and leaving many stranded on both ends for hours.

At least 40 villages in five upazilas of Lalmonirhat were flooded as the Teesta was flowing above the danger level.

The low-lying areas of these villages went under water due to onrush of water from upstream, leaving at least 4,000 people marooned, Water Development Board (WDB) sources said.

The Dharla river also swelled but was still flowing a centimetre below the danger level at Kulaghat point in Lalmonirhat Sadar.

"We are keeping open all 52 gates of the Teesta Barrage due to heavy currents from upstream," said Mahbubur Rahman, executive engineer of the WDB at Dalia.

# Israeli strikes kill 3 Hamas commanders

UN urges resumption of talks; 27 more killed in Gaza

AFP, Gaza City, United Nations

Three senior Hamas commanders and four children were among 27 Palestinians killed in Gaza yesterday as Israel stepped up air strikes on day 45 of the bloody conflict.

The UN Security Council meanwhile on Wednesday urged Israel and the Palestinians to return to the negotiating table to quickly agree on a lasting truce in Gaza.

In a unanimously adopted statement, the

15-member council "offered full support to the Egyptian initiative and called upon the parties to resume negotiations to urgently reach a sustainable and lasting ceasefire."

The statement drafted by France was agreed after negotiations in Cairo teetered on the verge of collapse.

The measure fell short of a full resolution, but diplomats signaled they would be ready to move toward a stronger response if

The ticket to Malaysia had already been purchased and necessary staff arranged for packing before Rubel received the shocking news.

## BID TO OUST PAK GOVT Imran Khan calls off talks with govt

AFP, Islamabad

Pakistani opposition politician Imran Khan yesterday called off talks with the government aimed at ending protests seeking the fall of the prime minister, which have unnerved the nuclear-armed nation.

Khan and populist cleric Tahir-ul-Qadri have led followers protesting outside parliament for the past two days demanding Prime Minister Nawaz Sharif quit.

Talks to end the standoff -- which began a week ago with "long marches" from the eastern city of Lahore -- started on Wednesday but made little headway.

Khan insists the May 2013 general election, won in a landslide by Sharif's Pakistan Muslim League-N party, was rigged, despite independent international observers judging it free and credible.
