OUR CORRESPONDENT, Barisal

Police arrested one man and five women in Barisal city on Wednesday night on suspicion that they were preaching a radical version of Islam and belonged to an extremist organisation.

The six were sent to jail, with four of their babies aged between three months and four years. They are Lokman Hossain, Jahanara Begum, Amina Begum, Mahinur Begum, Nasima Begum of Bagerhat, and Mohaimena Begum of Lalmonirhat. Officer-in-charge of Kawnia Police Station, said they were arrested at Soikat Villa in Bhatikhana on information that they were in town to preach.

The arrestees said they belonged to Kalamaye Jamaat, led by Abdul Majid of Bhola, he said.

bail petition pointing out that four charges against Abdul Latif was found through the probe. The defence, however, claimed in a written objection that two of the charges contradict each other. The tribunal then decided to rule after charge submission. The probe agency found Abdul Latif's involvement in the murders of 48 persons, and forced conversion of 200 Hindus to Islam of Shakhrikathi village of Bagerhat.

# Updated version proposes

FROM PAGE 3  
for Risk Reduction and Research Initiatives organised the discussion to share the updated version of Bangladesh National Building Code with relevant professionals.

A new chapter has been added with a proposed "Bangladesh Building Regulatory Authority" to ensure implementation of the code without exemption, said Ismail, also author of the BNBC chapter on administration and enforcement.

Though the code was made legally binding in 2006, only four development authorities in Dhaka, Chittagong, Rajshahi and Khulna follow it in the building approval process through a building construction committee under the Building Construction Act.

The proposed authority will appoint a building official along with technical

officials, who would give approvals to buildings at divisional, district and upazila levels, he said, adding that they might be attached with municipalities, city corporations, and the public works department.

The body will be comprised of a civil engineer, an architect, a planner, a lawyer, and a representative from civil service.

The armed forces authorities should also incorporate the code into their relevant laws to make sure the code is evenly enforced all over the country, said Ismail.

The code has hardly been implemented since its formulation in 1993, thanks to lack of an enforcement mechanism, said Mohammad Abu Sadeque, HBRI director and member secretary of the BNBC steering committee.

Public Works Minister Mosharraf Hossain, among others, spoke at the programme.

constitution in 1972," Suranjit Sengupta, chief of the committee, told reporters emerging from its meeting at the Jatiya Sangsad Bhaban.

Suranjit, a senior Awami League MP, said the parliamentary committee also made the same recommendations to the law ministry

three years back but it did not pay heed to it. "But this time the ministry agreed with our suggestion," he added.

Asked BNP's allegation that the government's move to restore parliament's authority to impeach judges for misconducts and incapacity is aimed to control judiciary, Suranjit said the allegation was baseless.

# Gen secy Tuhin beats

FROM PAGE 3

Tuhin had demanded Tk 1 lakh from the acting chief engineer.

Before the attack, he called up Munir and asked him to meet him with the money at Tukitaki Chattar on the campus, he added. As Munir refused, Tuhin started looking for him and finally found him in the waiting room at VC's office and beat him there, he said.

An official, who was at the scene, said a BCL man hit Munir in the head with a pistol. The chief engineer deals with the bidding process for all on-campus constructions.

On information, Alamgir Hossain, officer-in-charge of Motihar Police Station, rushed to the administrative building-1 with a team of 7-8 and locked the main gate

to shut the attackers in, said the OC.

Sensing the presence of police, the BCL men escaped breaking open the main gate and beating up security guard Abul Kashem.

The attackers first went to the chief engineer's office in administrative building-2. As he was not there, they went to administrative building-1. When Sumon Ahmed, a peon at building-2, asked for the attackers' identities, they beat him up, said Sumon.

Vice Chancellor Muhammad Mizanuddin said the authorities would take stern action against Tuhin and other BCL men, and that he asked police to arrest them.

BCL's central committee president Badiuzzaman Sohag told The Daily Star that they would take organisational action against Tuhin and others.

a member.

Jawed told the court that he was present when Himu described the brutal incident lying in his bed in Chittagong Medical College Hospital, said court sources.

Advocate Jewel Das, lawyer of accused Shahadat Hossain Sajju, is cross-examining Jawed now. Jawed was already cross-examined by Md Kafiluddin, lawyer of accused Shah Selim Tipu.

Himadri Majumder Himu, an A-level

student of Summerfield School and College, was brutally assaulted, dogs were unleashed upon him, and then he was allegedly pushed off a four-storey building in the port city's Panchlaish area on April 27, 2012. He succumbed to his injuries at a hospital in the capital on May 23.

On May 24, 2012, the murder case was filed accusing five persons in this regard. Other accused are Jahedul Islam Shawon, Mahboob Ali Khan Danny and Tipu's son Junaid Ahmed Riad.

# HC issues contempt

FROM PAGE 3

Sheikh Hassan Arif and Justice Abu Taher Md Saifur Rahman also summoned CEO Ali Ahmed to appear before it on September 15 to explain his role in the construction.

The writ petition, filed on August 14 by Swajan Supermarket Traders' Welfare Association, says the Poura market build-

ing is being constructed illegally on the footpath damaging the drainage system in the area, which would cause waterlogging.

The HC prohibited its construction the same day.

The market is being built near Swajan Supermarket.
