Consulate in Dubai finds out about incident from The Daily Star

STAFF CORRESPONDENT

The Bangladesh Consulate in Dubai learnt of the death of two Bangladeshi workers in Sharjah city of the United Arab Emirates after The Daily Star informed it on Friday, although the incident had been published on a local newspaper after it occurred on Wednesday.

The victims were identified as Jashim Uddin, 40, of Mehendiganj in Barisal and Siddique Rahman Polash of Louhajong in Munshiganj, confirmed AKM Mizanur Rahman, first secretary (labour) at the consulate.

They died on the spot after a temporary lift at an under-construction building crashed to the ground from the ninth floor, he told The Daily Star over phone yesterday.

"The workers were working illegally with the company AI Rehab Al Arabi Building Contracting LLC, an Ajman-based construction company," Mizan said.

The police arrested management officials of the company for employing the Bangladeshis illegally, he added.

Polash's family spoke to him just the day before he died. "The day before my father died, he told me that he would

RU suspends demoted

FROM PAGE 5

Prof Amzad Ali told The Daily Star.

At RU, Vice Chancellor Prof Muhammad Mizanuddin suspended the three, and told The Daily Star that the disciplinary committee would investigate the incident, and if found guilty, the three might be expelled from the university finally.

On Thursday, Tuhin and Tonmoy led their followers into the VC's office and beat up the university's acting chief engineer, Sirajum Munir, there, as he refused to pay Tk 1 lakh as extortion money, said the victim.

For the rowdiness, the BCL central committee removed Tuhin, a student of finance, from his post on Friday, but did not decide on Avi yet.

Meanwhile, teachers, officers, and employees of RU demanded expulsion and arrest of the attackers, and gave the authorities a three days' ultimatum.

Rajshahi University Teachers Association (Ruta), Karmakarta Karmachari Oikya Parishad, and RU Officers Association raised the demands separately. Ruta issued a press release, while over 200 officials, employees joined a rally before the administrative building.

Meanwhile, RU Registrar Prof Entajul Haque filed an extortion case against the three and seven or eight unnamed BCL men with Motihar Police Station, said police.

At DU, the suspended seven, all second year students, include Ashik and Mamun of English, Shakil of philosophy, Shaheen of Urdu, Mehedi of public administration, and Liton of tourism and hospitality management. The discipline of Zafar, another suspended student, could not be known immediately.

On Thursday night, some activists beat up Al Amin, a first year student of criminology, also a BCL activist, following an altercation over a trivial matter the same evening.

The attackers beat him up indiscriminately near TSC and smashed his head against a tree. He was treated in the ICU of Dhaka Medical College Hospital before being shifted to a cabin yesterday.

The attackers are loyal to Mehedi Hasan, general secretary of BCL's Hajji Muhammad Mohsin Hall unit.

Mehedi said Al Amin had attacked two of his activists first, and he was beaten in response.

The victim's brother filed a case with Shabbagh Police Station.

their programme, as it coincided with a pre-scheduled rally of the ruling party at the capital's Suhrawardy Udyan, which Prime Minister Sheikh Hasina was expected to attend.

Fakhrul said Dhaka Metropolitan Police first denied BNP permission to hold the human chain in front of the Jatiya Press Club on the pretext of PM's rally.

Later the party applied for the premises of its central office, mentioning that the crowd would spill over towards Notre Dame College on the east and Bijoyagar intersection on the west, he said.

But, the shift of the venue, DMP turned down their request at 11:00pm on Friday, while the programme was scheduled to begin at 11:00am the next day, he said.
