Request for Expressions of Interest (REOI) for Individual Web Programmer/ Web Developer [Contract Package # 64(a)]

EOI Ref No: 21.390.14.00.00.414.2014-1019 Date: September 22, 2014.

The People's Republic of Bangladesh has received additional financing from the International Development Association (IDA) toward the cost of implementation of procurement reform through Public Procurement Reform Project-II (2nd Revised), and it intends to apply part of proceeds for the provision of expert services for the project by hiring Web Programmer/Web Developer (National) for e-GP system about 27 staff months or up to December 2016.

02. The Web Programmer/Web Developer will closely work as a member of the e-GP/PROMIS Cell in CPTU, and will assist CPTU in e-GP application management, operation and enhancement services for successful implementation of e-GP component and smooth running of the e-GP system. The key responsibilities include:

- Carry out designing, programming under the planned e-GP system enhancement activities;
- Support capacity development initiatives for CPTU and other e-GP users;
- Support/Assist Sr. Web Developer/Programmer on e-GP system product planning, requirement analysis and deployment plan updating (if required), implementation of new enhancement/change requests;
- Assist CPTU in coordinating the activities of Central Help Desk and e-GP/PROMIS Cell in target agencies regarding major issues/bugs of the e-GP system;
- Assist CPTU in fixing bugs, carry out thorough testing and ensure the codes error free before the deployment in production and training servers;
- Monitor and ensure the different type of cyber security features of the e-GP system for smooth running the national procurement web portal;
- Any other task assigned by the management related to e-GP.

Qualification and Experience:

- i At least graduated in Computer Science/Computer Engineering/Electrical & Electronic Engineering or similar qualification;
- ii At least 3-4 years of proven work experience in the field of web programming. Having Sun Certification for Java Programmer (SCJP) will get preference. The Web Programmer/Web Developer should have the following specific skills and experience:

- Hands-on experience on n-tier Web Application architecture using Object Oriented Development Principles in Java/Java EE, JSP, CSS, AJAX, Servlets, NetBean, SQL Server 2008;
- Previous experience developing web services under Java platform including XML, XSLT, XSL, and interfacing with third party applications;
- Experience in using software testing tools; and
- Experience in documenting software codes and processes.

03. The Central Procurement Technical Unit (CPTU) now invites eligible applicants to indicate their interest in providing the services. The applicants are requested to submit their: (a) CV (Curriculum Vitae), which will indicate that they are qualified to perform the services; and (b) expected remuneration.

04. Detailed Terms of Reference (TOR) along with qualification criteria will be available upon request either through e-mail or in person from the address provided below.

05. The individual consultant will be selected in accordance with the "Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers" dated January 2011.

06. It is expected that the consultant's service will commence on October, 2014 at Dhaka, and complete on December 2016. The consultant's contract duration will be subject to his/her satisfactory performance to be evaluated periodically.

07. Expression of Interest (EOI) shall be submitted by October 15, 2014 either in sealed envelope clearly marked "EOI for Individual for Web Programmer/Web Developer" or through email sent to Director General, CPTU.

08. The CPTU reserves the right to accept or reject any or all EOI.
