CHECK IT OUT

Shaping your body

THE Laser Medical Center, serving the health and beauty conscious people with ultra modern healthcare technology, has introduced a new body shaping offer giving you a chance to have a slim figure without doing any surgery, injection, burns, pains or even exercise.

Here you can measure your body fitness by body fat analysis. The Laser Medical Center also introduced 'ultra contour' treatment. It is a non-surgical procedure that helps

you to get rid of unwanted fat from your abdomen, thighs, hips and many parts of your body.

Ultrasound waves are focused on the fat cells through a transducer. These High Intensity Focalised Ultrasound (HIFU) waves target fat cells up to 1.5cm below the skin. The Laser Medical Center will give perfect weight management treatment.

From The Laser Medical Center you can get BICOM therapy, exercise program and diet chart to gradually reduce

weight in a healthy way until your individual target weight is reached and it also explains how to maintain this weight.

Laser Treatment Center is located in Gulshan 2 (121/c, Gulshan Avenue; contact number: 01711660938, 01914891017) Dhanmondi (Shimanto Square; contact number: 01727001199, 01915758449).

to the winners of

LIVON Style Icon

Amidst much glitz and glam, Livon Style Icon 2014 hosted its grand finale in Dhaka on 20th of September, 2014.

The competition was launched on 8th June, 2014, both on-ground & on Facebook. Over 26 campuses in Dhaka were visited, and girls from all over the country participated through Facebook. The contestants submitted their pictures through the Facebook app of the Livon Bangladesh page. Based on the numbers of likes and shares received, votes were calculated and the Top 50 contestants were announced on the Livon Bangladesh page.

On 5th September, 2014, the Top 50 contestants were invited to meet the judges, where the Top 12 were selected based on their style & personality. The esteemed judges for this event were famous model Adil Hossain Noble, renowned photographer Iqbal Ahmed and Afroza Parveen, CEO of RED. The Top 12 contestants participated in an exclusive photoshoot with renowned photographer Iqbal Ahmed on 13th September, 2014, and their pictures were then uploaded to the Livon Bangladesh Facebook page.

In the final round of the talent hunt, out of the top 12, the best 3 were selected based on their online votes along with their camera presence, personality and style. The event finally concluded with its grand finale.

The title of "Livon Style Icon 2014" went to Nishat Tabassum Medha of Milestone School & College. She was awarded a Dhaka-Bangkok-Dhaka air ticket. Geeti Ara Mim of Maple Leaf International School was announced the first runner up, while Anika Hossain of North South University became the second runner up. Both the runner-ups received gift vouchers worth Tk.10,000. Each of the contestants from fourth to twelfth positions received gift vouchers worth Tk. 5,000.

The contest and event was arranged by Livon. Livon Silky Potion is a detangling hair fluid that helps to boost hair shine and makes hair silky. Shiny, tangle-free hair can be styled in any fashion that you desire. Livon Style Icon was started with the intention to help young girls to shine and show off their hair style, to give them a platform to express their ability in front of the camera and get closer to reaching their dreams.
