**THE CHITTAGONG PORT AUTHORITY**

**REQUEST FOR EXPRESSIONS OF INTEREST  
(CONSULTING SERVICES-FIRMS SELECTION)**

BANGLADESH  
BANGLADESH TRADE AND TRANSPORT FACILITATION STUDIES  
RETF PROJECT

Grant No.: TF016418

**Assignment Title:** Feasibility studies, environmental and social studies, detailed design and tender documents preparation for construction of the Karnaphuli Container Terminal -- Phase 1, Stage 1.

**Reference No.** (as per Procurement Plan): MOS-S4

The Government of Bangladesh has received a grant from the World Bank toward the cost of the Bangladesh Trade and Transport Facilitation Studies NLTA Project, and intends to apply part of the proceeds for consulting services.

In order to improve key multi-modal transport corridors and networks that would address current transport bottlenecks for trade and help boost national, regional and international trade for Bangladesh, The World Bank is providing a Recipient-Executed grant to the Government of Bangladesh (GoB) to finance economic, financial, technical, environmental and social safeguards studies and technical assistance for: (i) dredging of priority inland waterways; (ii) provision of vessels, navigational aids, and safety equipment and improvement of selected river ports along priority waterways; (iii) construction of a new container terminal and improving operational efficiency at Chittagong Port; (iv) investments in selected equipment and improving operational efficiency at Mongla Port; (v) addressing missing links for road and inland waterways to establish transport connectivity between Chittagong Port, Chittagong Hill Tracts Districts, and NE India; and (vi) improving selected key priority border posts. These interventions are expected to facilitate domestic trade, international trade with third countries, as well as regional trade with neighboring countries including India, Nepal and Myanmar. These studies and technical assistance are expected to inform decisions on potential investment opportunities.

The following consulting services ("the services") are required under this assignment:

- Complete feasibility analysis and detailed designs for Stage 1 of the planned Karnaphuli Container Terminal at the Port of Chittagong (berths 10-13 of the existing general cargo terminal). This will include inter alia:
  - Updated traffic forecasts and functional requirements
  - Ground investigations, condition survey, topographic and bathymetric surveys (if required)
  - Preliminary layout and design options
  - Capital cost estimates, economic cost-benefit and financial feasibility analysis of options
  - Detailed designs for selected alternative
- Carryout environmental and social assessments and associated management plans for terminal construction and operation, including inter alia:
  - Baseline studies (including fieldwork) and preliminary screening of impacts;
  - Environmental and social analysis of alternative designs under consideration, in coordination with feasibility analysis under Task 1;
  - Full assessment of social and environmental impacts during construction and operation;
  - Development of environmental and social management and monitoring plans for identified impacts, including for land acquisition and resettlement if required;
  - Stakeholder consultations and disclosure of draft and final versions of the studies.
- Prepare bidding documents and also assess the total risk of the project with necessary mitigation measures thereof.

The Chittagong Port Authority now invites eligible consulting firms ("Consultants") to indicate their interest in providing the services. Interested consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the services. The shortlisting criteria are:

- Business Objective and Expertise of the Firm
- Corporate Capacity of the Firm (Annual Turnover for last 3 years-Audit Reports)
- General Work Experience of the Firm
- Experience of the Firm in similar work and complexity, and relevant sectoral experience in ports construction/development projects;
- Prior experience of the Firm and key personnel for the environmental and social studies in carrying out assessments in accordance with World Bank safeguard policies, in particular the policies on Environmental Assessment (OP 4.01) and Involuntary Resettlement (OP 4.12);
- A list of proposed key personnel with qualifications, experience and association with the firm.

A consultant will be selected in accordance with the Quality and Cost-Based Selection (QCBS) method set out in the World Bank Consultant Guidelines, dated January 2011. Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications.

Further information can be obtained at the address below during office hours 0900 to 1700 hours.

Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by fax, or by e-mail) by 30 November 2014.
