SPORTS REPORTER

Former national winger Kazi Jasimuddin Ahmed Joshi has been appointed as the head coach of Mohammedan SC while Abdul Kaiyum Sentu has been made his assistant for the upcoming football season, which is scheduled to get underway with the Federation Cup from December 19.

Joshi successfully guided the Mohammedan junior teams (U-16 and U-18) to two consecutive titles in the youth championship in the last two years. The former Mohammedan winger also worked with the senior team in the 2005 season after the departure of Korean coach Man Yang Kang and steered the Black and Whites to a second-place finish behind ultimate champions Brothers Union in the now-defunct Dhaka Premier League.

Mohammedan will start their training camp from November 27 and will likely to take part in the DC Gold Cup in Narshingdi from December 8.

Senanayake undergoes retesting

CRICINFO, Colombo

Banned off-spinner Sachithra Senanayake underwent an official retest of his action in Chennai on Sunday, with the results expected within the next two weeks, Sri Lanka Cricket has said.

The retest is the culmination of months of remedial work, which Senanayake has carried out under the supervision of both human movement specialist Daryl Foster as well as with local coaches. Senanayake had been reported during Sri Lanka's ODI series in England in June, then banned in July, following an official biomechanical test in Cardiff. The report from that test said Senanayake straightened his elbow by as much as 43 degrees.

Anxious time for Clarke

AFP, Sydney

Injured Australian skipper Michael Clarke said Monday he will miss a vital lead-up game, raising fresh doubts about his chances of playing in next month's first Test against India.

Clarke, who was named in a 12-man squad Monday subject to a fitness test on his left hamstring, was selected to play for a Cricket Australia XI against the tourists in Adelaide on Friday.

Clarke later confirmed that he will not be playing in that match, placing his position in the Test squad in doubt.

"I've been pulled out of, or passed unfit to play the game in Adelaide,"

Clarke told reporters in Sydney.

"The medical team in the Australian cricket team have ruled me out of that game."

But he said he was hopeful of playing in a Sydney club game at the weekend to prove his fitness, if he was allowed to take part.

"I would hope with my experience that the selectors, my team-mates, Cricket Australia, will all respect my opinion," he said.

Clarke has been struggling to avoid missing his first home Test match after injuring the hamstring in the recent one-day series against South Africa in Perth. He also continues to undergo daily treatment for an ongoing back condition.

Chief selector Rod Marsh had earlier suggested that Wednesday was a dead-line day for Clarke to get himself ready to play in the Adelaide match and if he played and recovered well, he would take his place in the Brisbane Test side.

No possible Test replacement has been named. While the focus was on Clarke, uncapped New South Wales paceman Josh Hazlewood was rewarded with a call-up to the squad for his strong recent performances against South Africa in the one-day series.

SQUAD: Michael Clarke (captain), Brad Haddin, Ryan Harris, Josh Hazlewood, Mitchell Johnson, Nathan Lyon, Mitchell Marsh, Chris Rogers, Peter Siddle, Steve Smith, David Warner, Shane Watson.

BHF decision on banned players, coach today

SPORTS REPORTER

Suspended forward Rasel Mahmud Jimmy, defender Imran Hasan Pintoo and goalkeeper Zahid Hossain are set to get their suspensions lifted when the executive committee of the Bangladesh Hockey Federation (BHF) sits for a meeting today.

Jimmy, Pintoo and Zahid have already served one year of their two-year domestic and three-year international suspensions handed last year due to disciplinary reasons as well as deliberate under-performance in the Asia Cup in 2013.

The BHF working committee has already recommended lifting of the ban on these three players to the executive committee after the suspension on midfielder Kamruzzaman Rana was lifted.

Today's meeting will also decide about a foreign coach for the national team as the already contacted Indian coach AK Bansal is believed to be unavailable. The meeting will likely approve appointment of Mamunur Rashid as the head coach until a foreign coach takes over, as per recommendations of the Coaches' Committee.

Series first, then testing

SPORTS REPORTER

The selectors on Sunday night announced a team only for the third ODI against Zimbabwe which will be held at the Sher-e-Bangla National Stadium in Mirpur tomorrow as they are planning to go for some experimentation in the last two games. And the testing will go on only if the Tigers confirm the series tomorrow after the hosts won the first two matches in Chittagong convincingly.

If everything goes according to plan, the team management then may give rest to skipper Mashrafe Bin Mortaza. It's however yet to confirm whether he will be rested for one match or two. The team think-tank wants to try out three to four players in the last two games keeping World Cup in mind if the hosts win the third ODI as expected. Left-handed opener Tamim Iqbal is suffering from a hamstring injury, but according to sources it's not serious.

Mashrafe not only successfully led his side to the 2-0 lead but also was adjudged player-of-the-match, which he earned after a four-year break, in the second game. But for the team management the most encouraging fact was that the bowler didn't receive any injury. And according to sources it's now all but confirmed that the Narail Express will lead the team in the World Cup next year in Australia and New Zealand if he remains fit. Before the World Cup, Bangladesh are likely to play a tournament in Dubai along with Zimbabwe and the four Associate qualifiers -- Afghanistan, Ireland, Scotland and the UAE -- in January.

The hosts' focus now should be to sweep the series clean. Bangladesh team returned to Dhaka yesterday along with the visiting Zimbabwe side after successful missions in Khulna and Chittagong. It's now time for the Tigers to give a perfect finishing touch to the so-far-magnificent home series against the southern African nation.

They started their mission with a hard-fought three-wicket win in the first Test at the Sher-e-Bangla National Stadium in Mirpur and improved their performances gradually to outclass their closest opponents and now they need to stay focused when they play the remaining three ODIs in Mirpur on November 26, 28 and December 1.

WORLD CHESS CHAMPIONSHIP Carlsen beats Anand again

AFP, Moscow

Norwegian prodigy Magnus Carlsen retained his title as world chess champion on Sunday, defeating rival Viswanathan Anand for the second year in a row.

The 23-year-old world number one beat India's Anand, title-holder of the championship from 2007 to 2013 when he was dethroned by Carlsen, in two of 11 games of the competition, with the others ending in draws.

"I am very happy," Carlsen was quoted as saying by Russian press agency TASS. "It was a very difficult match, much more difficult than last year."

"Anand is a very strong chess player, but he had practically no chance of winning."

Carlsen had been playing since November 8 against Anand, who is nearly

20 years his senior, in the Russian Black Sea resort of Sochi.

The victory, secured with a difference of just two points, will mean one million euros in prize money for Carlsen just a week before his 24th birthday.

"Overall, throughout the match, Carlsen played better than I did," Anand was quoted as saying by TASS.

Carlsen turned Grand Master at 13 and in 2010, aged only 19, became the youngest player in history to be ranked world number one. He won the Candidates Tournament in 2013 to earn the right to challenge Anand.

His breakthrough in chess came in 2004, when as a 13-year-old he defeated Russian former world champion Anatoly Karpov, forced Russian legend Garry Kasparov to a draw, and became a Grand Master.

Mathews to lead SL

INTERNET, Colombo

England will face many familiar opponents at the start of their one-day international series against Sri Lanka, after a 15-man squad was announced on Monday for the first three of seven matches.

Angelo Mathews will lead a lineup including the veteran batsmen Mahela Jayawardene and Kumar Sangakkara, as the pair embark on their final winter of ODI cricket culminating in the World Cup.

Sangakkara appears set to keep wicket, after Dinesh Chandimal, who deputised in the final two matches against India, was dropped following that 5-0 trouncing earlier this month.

The injured fast bowler Lasith Malinga will not be available again until early next year at best, but the left-arm spinner Rangana Herath is back.

The first match of the series will take place at Colombo's Premadasa Stadium on Wednesday.
