

FERDOUS'S debut as a producer

"Ek Kaap Chaa" had just been released and premiered at Star Cineplex Bashundhara City on 27th November 2014. The film is produced by Nujhat Films and directed by Noyeem Imtiaz Neamul. Basu Chatterjee has done the story, dialogue and script. The film stars Ferdous Ahmed, Moushumi, Ritu Porna Sangupta from India. The music for this film will be done by Ayub Bacchu, Fuad etc. An interesting fact about this movie is that Ferdous is not only the lead actor but this also marks his debut appearance as a producer. We at Showbiz hope this film works out for him so that we can see him as more than just an actor but also a successful producer.

DESHA-The Leader releasing this year

POPPY

BACK IN THE BIG SCREEN

Renowned Bengali actress Poppy is set to appear in the big screen for the first time in three years with the release of "Chaar Okkhor Er Bhalobasha". The film was released on November 8th 2014.

A Press conference was held for the launch, in which Poppy said that this film is aimed at people from all walks of life and that she hopes to get the same sort of support from audiences as she got in the past.

Starring alongside Poppy is Nirob, who will premiere with the actress for the first time. The film is directed by Kazi Hawat. Other actors include Ferdous, Rabina, Shochurita, Kazi Hayat and Shiba Sanu. The premise of the film is essentially a love triangle story between Poppy, Nirob and Ferdous.

The last film Poppy appeared in before her hiatus was "Garments Konna".
