

QAYYUM CHOWDHURY

“ My drawings show the world the way I see it, and manifest the essence of things I have seen.

Technical perfection can be attained only through copious production.

SKETCH: YAFIZ SIDDIQUI

March 9, 1932 – November 30, 2014

One of the most famous artists of the country, Qayyum Chowdhury was instrumental in establishing the art scene of Bangladesh as we know it today. Along with master artists Zainul Abedin, Quamrul Hassan and Safiuddin Ahmed, Qayyum Chowdhury is also regarded as a first generation artist of the country.

It was the musicians – the likes of Jasimuddin and Abdul Alim – whose music inspired me to portray the opulence of my country on canvas.

The most ancient history of painting is the history of civilisation. I can't think of a more exciting medium.
