DIU introduces Bachelor of Entrepreneurship Development program

Daffodil International University is introducing Bachelor of Entrepreneurship Development – a four year (Honors) program, the first of its kind in Bangladesh from the Spring 2015 semester. To share the details of the program a 'Meet the Press' event was held on "Introducing Bachelor of Entrepreneurship Development program" on January 3, 2015 at the VIP Lounge of National Press Club.

Professor Dr. M. Golam Rahman, Pro-Vice Chancellor (and acting Vice Chancellor), Daffodil International University was present as the chief guest. Professor Dr. Muhammad Mahaboob Ali, faculty member of Business and Economics of Daffodil International University and specialist on entrepreneurial activities, presented the keynote paper at the program. The meet-the-press was also addressed by Professor Rafiqul Islam, Dean, Faculty of Business and Economics; Syed Mizanur Rahman, Director (Student Affairs); and Masum Iqbal, Head of Department of Business Administration.

Speakers argued that Bachelor of Entrepreneurship Development has immense potential, as after the completion of the degree, students can easily be transformed to core human capital.

Bangladesh intends to become a middle income country by 2021. To achieve the target, Bangladesh has to create more employment opportunities. Ensuring employment generation is feasible mainly through the creation of entrepreneurship. To expedite the process, through offering Bachelor of Entrepreneurship Development program under Department of Business Administration, DIU has come forward with a great initiative to support young minds to become entrepreneurs. It is expected that young entrepreneurs who will cater to the need of the society will not depend on others for jobs.
