

SHOKH PRESENTS

Bangladeshi actress Shokh's credentials have now taken in yet another achievement as she has been chosen to anchor Eva Rahman's Musical Program which aired on ATN Bangla. This marks her first time as a presenter as she is more commonly known and appreciated for her acting.

MAN OF MANY FACES

Mosharraf Karim may be the most watched actor in Bangladesh. And why shouldn't he be? He is prepared to portray any character with utmost dedication and accuracy. This last year has been a very busy year for Mosharraf as he has acted in numerous dramas. Sure lots of other actors have done similar number of dramas, but they didn't have to do overtime with their characters as Mosharraf had to. For the drama "Troee" he had to portray three different characters! For his theater performance "Arojchoritammrito", he portrayed 6 different characters. And for the drama "Shei Rokom Jhalkhor", he had to consume 150 green chilies, and in one instance, even became bald for his role. Talk about dedication.

Lux and Mehzabien Again

Mehzabien has been drafted in for a Lux commercial which took her to places like France, Belgium and Switzerland. Also starring alongside her is famous actress Moushumi and Jakia Bari Mamo.

Fans of Mehzabien will be glad with the news as they haven't been able to see the actress in any TV serials. She has been solely focused on single episode dramas.

Nancy Back in her elements

Nancy has just released a new album titled "Dushtu Chele". Amazingly she hasn't released it in CD format but instead, opted for cell phone services launch instead.

This news comes amidst great controversy surrounding her recent suicide attempt and joining and later resigning the political party wing JASAS (Jatiyatabadi Samajik Sangskritik Sangstha).
