Hopefully, shooting will start by end of February and shooting will take place exclusively in America.

Do you only want to work in films?

No. I don't want to be limited to just cinemas. I want to act in every medium. I already worked in TV dramas although, admittedly, not that many. One of these was "Otithee", where I acted alongside Mosharraf Karim. I also acted in a drama directed by actor Raj Razzak, where i acted alongside Shomrat. I also have an interest in acting in theater.

What are your plans regarding acting?

I want to be a good actress. I only want to act in films that will stay with the audience for a long time. I want to act with all my devotion and attention and I want to win the hearts of the audience. That is my true goal.

Any resolutions for the New Year?

The New Year always starts with so many plans. Well I want to complete my Honors. The remaining time that I have, I want to devote to cinema. I want to give good cinema a big priority. Other than these, I don't have any other specials plans or wishes. I'll try to take things slow, one at a time.
