

## JAMIE FOXX

December 13, 1967

Eric Marlon Bishop popularly known as Jamie Foxx, is an American actor, singer, songwriter, and former stand-up comedian. In 2004 he won the Academy Award and BAFTA Award for Best Actor as well as the Golden Globe Award in a row.

“ Every single thing in my life is built around race.

We cannot turn our back and say that violence in films or anything that we do doesn't have a sort of influence. It does.

If I were an animal, I would be an eagle.

Every two, three years there is a movie about the Holocaust because they want you to remember and they want you to be reminded of what it was. When was the last time you've seen a movie about slavery?
