

GRAPE VINE

Toukir-Bipasha's Valentine plans

Fans of Toukir and Bipasha rejoice. The popular onscreen and real life couple Toukir Ahmed and Bipasha Hayat is planning something great for their fans for this year's Valentine's Day. This valentine's day, they'll be staying at their own close to nature resort, Nokkhotro Bari. Those who will visit the resort during this day of love will get a chance meet and chat with the couple.

Tisha's Valentine works

Tisha's demand is always high in the industry and more so during an occasion as important as Valentines. We have just heard that she has worked on three different dramas for this year's valentines. They are "Brishti Bheja Bhalobasha" by Roton Dipon, "Tune of Love" by Himel Haque and "Tumi Acho Tumi Nai" by Shokal Ahmed. The first two dramas will have her starring with Nisho while the third one will feature film star Riaz as her co-star. Currently two of her TV series are being aired on TV now and she is also currently working on a film called "Mental" where she is working alongside superstar Shakib Khan.

Faria in Ochenar Chena

Lux Superstar's Faria is better known to us all through her works in TV Dramas and modeling. In recent times though, she has taken a bit of an absence as she's been busy with her studies. However, she has just starred in a new TV Drama by Chisti Koushik Hasan and Reny Hazra called "Ochenar Chena". Also starring alongside her is Shojol. When discussing the TV Drama, Faria commented that the story is really good and she would be portraying a good character and that's why she took part in the project. Aside from this, she has also just completed work on a new upcoming TV Series.

Experimenting Nowshin

Nowshin is already quite a popular actress. She's been not only seen in TV Dramas but in different programs as well where her role was hosting it. Now though, she is stepping into the world of TVC by being a model. Currently she is working on 6 different TVCs at the same time. Talk about a busy bee! We hope this new road leads her to even more success.
