Government of the People's Republic of Bangladesh
 Statistics and Informatics Division
 Bangladesh Bureau of Statistics (BBS)
 Development of the Bangladesh Poverty Database (BPD) Project
 E-27/A, Agargaon, Dhaka-1207

Memo No: 52.031.011.013.00.092.2014-972 Date: 02-03-2015

Subject: Request for Expression of Interest (REOI) for Selection of Consulting Firm (International) for Questionnaire Printing, Data Capture and Processing using the Intelligent Character Recognition (ICR) Technology (SF-1).

The Government of the People's Republic of Bangladesh (GOB) has received a credit (IDA Cr. 5281BD) from the International Development Association (IDA) for "Development of the Bangladesh Poverty Database (BPD) Project" and intends to use part of the proceeds to appoint one (01) Consulting Firm (International) [the "Consultant"] for printing ICR-compliant questionnaires, training BBS staff in questionnaire administration and the use of ICR, OCR&OMR software, scanning the completed questionnaires and managing the data entry/editing process and preparation of clean data set with construction of a Relational Database Management System (RDMS).
 The scope of work will comprise the following:

- Adjusting the questionnaire provided by the BBS in order to optimize the performance of ICR technology while preserving its basic layout, as well as the form and sequencing of questions and answers.
- Printing approximately 45 (forty-five) million (both pages) questionnaires and forms (Legal Size) described in (1). The questionnaires shall contain a barcode (Random Unique numbered) and shall be organized into spiral coil-bound booklets with cover sheet at both side.
- Training
 - providing training to BBS officials (about 150 master trainers and others) on techniques of filling in the forms and other related instructions in handling the software and ICR technology to maximize the performance.
 - deliver software training to BBS officers & others as required. The training shall include questionnaire fill-up, scanning, data editing, and data processing, preparation of clean dataset, and export data and construction of database.
 - provide intensive technical training to develop template, manage, operate and testing various questionnaire.
- Scanning approximately 40 (forty) million filled questionnaires (both pages) at the rate of at least four hundred thousand questionnaires per day using BBS scanning devices & any number of additional scanner with scanning devices as required along with cutting machines have to be provided by the firm in BBS premises.
- Processing the scanned questionnaire/forms using Intelligent Character Recognition Technology with the combination of ICR, OCR & OMR softwares.
- Manual editing of the dataset with the ICR technology process, including:
 - manual correction of erroneously-recognized characters.
 - computer-aided translation of English names and words into Bangla script and verification against Bengali hand written letters and words for data processing.
 - apply validation rules to the form fields, as defined by the BBS.
 - verifying the defined entries using the National ID database through API.
- Delivering the final dataset in the form of a Relational Database and image files containing the original scanned forms.
- Ensure that Intelligent Character Recognition software as mentioned in Sl. 5 is licensed to cover scanning, data capture, data processing and editing unlimited number of questionnaire, using at least two hundred workstations/users. The license of software will be in the name of BBS and its validity will be for minimum 5 years.
- Installation, Testing, Commissioning of software in the hardware and network of BBS at its premises.
- Provide all types of technical support at no additional cost for the duration of licensing period.

The Project Director, Development of the Bangladesh Poverty Database Project (BPD), now invites eligible Consultants (International) having previous experience in similar types of assignment to indicate their interest in providing the services. Interested Consultants (Firms) should provide Expression of Interest (EOI) with pertinent information in demonstrating that they have relevant qualifications and experience for the assignment.

The EOIs would be reviewed on the basis of the following criteria to prepare a short list:

- Experience in conducting similar assignment;
- Availability of key professional staff;
- Years of experience in relevant field;
- Managerial strength;
- Turnover of the firm for the last 05 (five) years;
- List of offices, equipment, logistic support, etc
- ISO or equivalent quality certification;
- Other relevant information (trade license, VAT/IT certificate, company registration, etc)

Special attentions of interested consultants are drawn to paragraph 1.9 of the World Bank's guidelines: Selection and Employment of consultants under IBRD Loans and IDA credits and grants, by World Bank Borrowers, (January-2011) which sets forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms to enhance their capability to carry out the assignment. The association may be either in the form of joint venture or sub-consultancy (documentary evidence must be submitted). In case of a joint venture all members of such association should have real and well defined inputs to the assignment and it is preferable to limit the total number of firms/institutes in the association to a maximum of three. Consultants will be selected in accordance with Quality and Cost Based Selection (QCBS) procedures set out in the guidelines for selection and employment of consultants under IBRD Loans and IDA credits and grants by World Bank Borrowers (Jan 2011 edition). Only short-listed Consultants (firms) will be issued Request for Proposal (RFP).

All EOIs (one original and four copies) must be submitted in a sealed envelope. Consultants shall submit their EOIs by 3.00pm on 30-03-2015 in sealed envelope clearly marked "Request for Expression of Interest (REOI) for selection of Consulting Firm (International) for Questionnaire Printing, Data Capture and Processing using the Intelligent Character Recognition (ICR) Technology (SF-1) under BPD Project" to the undersigned by hand/courier service/guaranteed express service through the post office. No EOI will be received through e-mail. Any EOI received after the deadline will not be accepted. Any attempts to unduly persuade the procuring entity by any applicant will be ground for disqualification. The authority reserves the right to accept or reject any or all the EOIs without assigning any reason whatsoever. The EOI notice will also be available in the websites: www.sid.gov.bd, www.bbs.gov.bd, www.cptu.gov.bd as well as in UN Development Business (https://www.devbusiness.com)

Government of the People's Republic of Bangladesh
 Department of Environment (DoE)
 Office of the Project Director
 Clean Air and Sustainable Environment (CASE) Project
 E-16, Paribesh Bhaban, Agargaon
 Sher-e-Bangla Nagar
 Dhaka-1207

Request for Expression of Interests (EOI) for Selection of Monitoring and Evaluation Consultant (Local individual) [Contract Package No. CASE-DOE-S18a]

Memo No: Paribesh/CASE/M & E Consultant/186/2015/120 Date: 01/03/2015

1. The People's Republic of Bangladesh has received an IDA credit [No. 4581-BD] in the amount of US\$ 62.2 million toward the cost of the Clean Air and Sustainable Environment (CASE) project to be implemented partly by the Department of Environment (DOE) and it intends to apply part of the proceeds to payments for the provision of consultancy services for the project by hiring a Monitoring and Evaluation Consultant (Individual-local).

- The specific objectives of this consultancy are: i) to assist the project coordinator to be anchored at the Ministry of Environment and Forest in monitoring the implementation progress of three agencies viz; DoE, DCC (South & North) and DTCA, and ii) to update the Project Coordinator on key activities of the project in a timely manner and iii) to identify implementation problems, evolve suggested measures and trouble-shoot for timely implementation of key activities under the project.
- The summary of Terms of Reference (TOR) for the position require the consultant to carry out the following:
 - Oversee and execute M&E activities included in the Annual Work Plan [AWP], with particular focus on results and impacts as well as in lesson learning.
 - Based on the AWP and in particular the annual development budgets (ADP), design the framework for the physical and process monitoring of project activities under the three components.
 - Assist the Project Coordinator in running day to day operations of the project.
 - Identify and collect data from the executing agencies. Compile all the monitoring and evaluation reports received from different executing agencies;
 - Identify core information needs of project management, prepare calendar of M&E activities.
 - Prepare report based on the feed back received from the executing agencies.
 - Assist the Project Coordinator in organizing meeting of the Project Steering Committee and Project Coordination Unit including preparation of the working paper.
 - To send all types of reports to be generated from implementing agencies to the IMED, PC, PMO, cabinet division, WB and so on.
 - Develop monitoring framework for project output and outcome indicators for three components.
 - Promote a results-based approach to monitoring and evaluation, emphasizing results and impacts.
 - Coordinate the preparation of all project reports. Guide staff and executing partners in preparing their progress reports in accordance with approved reporting formats of GOB & IDA/World Bank and ensure their timely submission. This includes monthly progress reports, quarterly progress reports, annual project report etc.
 - Prepare consolidated progress reports for project management including identification of problems, causes of potential bottlenecks in project implementation, and providing specific recommendation.
 - Facilitate, act as resource person, and join if required any external supervision and evaluation missions.
 - Monitor the follow up of evaluation recommendations.
 - Undertake field visits, if need be to monitor progress of works and services procured under the three components.
 - Prepare consolidated project completion report (PCR) of the project at the end of the project tenure after compiling all the completion reports of three components namely DOE, DCC, & DTCA.

Key Qualifications: The assignment requires the following qualifications:

- The candidate must have a post graduate degree in Economics/Statistics/ Natural Science.
 - At least 10 years of working experience in GOB and aided projects especially on project processing, implementation, monitoring and evaluation etc.
 - At least 5 (five) years working experience in foreign aided projects as monitoring and evaluation consultant.
 - Working experience to deal with the World Bank assisted GOB projects preferably in environment sector.
 - Candidates having training on project analysis, monitoring & evaluation and finance from abroad will get preference.
 - Excellent communication and presentation skills in English.
 - Computer skill with particular experience in MS-Word, Excel and power point.
 - Strong interpersonal and team building skills.
- This activity will involve a 20 man-months contract during the project period subject to satisfactory performance. The approximate commencement date of the contract will be April 2015. The contract may be terminated, extended or renegotiated before or beyond the stated time period.
- The consultant will be selected in accordance with the procedures set out in the Public Procurement Act, 2006, Public Procurement Rules and subsequent amendment thereof.
- Expressions of Interest (EOI) shall be submitted on or before March 22, 2015 on weekdays during office hours either in a sealed envelope or through e-mail sent to Project Director, and be clearly marked Expressions of Interest for Monitoring and Evaluation Consultant (Local Individual).
- The EOI should include consultant's CV and relevant supporting documents showing consultant's credibility in air quality management.
- The procuring entity reserves the right to accept or reject all EOIs.
