Note: Top four in each group qualify for quarter-finals.

A young Bangladesh fans enjoys the Tigers' brilliant run chase against Scotland at the Saxton Oval in Nelson yesterday.

PHOTO: CRICINFO

Tigers fans everywhere!

SPORTS REPORTER from Nelson

The Saxton Oval isn't a big international cricket stadium. With a capacity of a little over 5,000, the ground at Nelson was never going to share the ambience of its bigger cousins in Melbourne and Adelaide. It wasn't a packed stadium either. The official count read 3,491.

However, even in these circumstances, Bangladesh's supporters were clearly audible. They were dancing, painting the red and green colours on locals and inspiring them

to join the sub-continental party.

Most of the supporters came from Christchurch and the University of Canterbury and despite being small in number, their chants were heard throughout the match.

Amongst them was a very popular face. Mahbub Hamid, the father of Mushfiqur Rahim, joined the red and green brigade and led the cheering from the front. He may not have been as young as the other supporters, but he was definitely the most enthusiastic.

Match facts

95 Runs scored by Tamim Iqbal, the most for any Bangladesh batsman in a World Cup game. The previous highest was Mohammad Ashraful's 87 in Bangladesh's win against South Africa during the 2007 World Cup.

139 The partnership between Tamim and Mahmudullah, the highest for Bangladesh in World Cups. Bangladesh's only other 100-plus stand in World Cups also came during this tournament, against Afghanistan in Canberra, where Mushfiqur Rahim and Shabir Hafeez reached 114 runs for the fifth wicket.

318 Scotland's total, their highest in World Cups and the second-highest for any non-Test nation. The only higher World Cup total by a non-Test nation

IMRUL flies down under, will replace Anamul

SPORTS REPORTER from Nelson

Anamul Haque's World Cup campaign came to a sad end yesterday as it was revealed that the opener suffered a Grade 3 injury in his right shoulder. While attempting to save a boundary at long-leg during yesterday's game against Scotland, Anamul landed awkwardly on his shoulder after a dive.

As soon as he got up, Anamul could barely move his right arm. He merely rolled the ball with his left arm and fell down in pain.

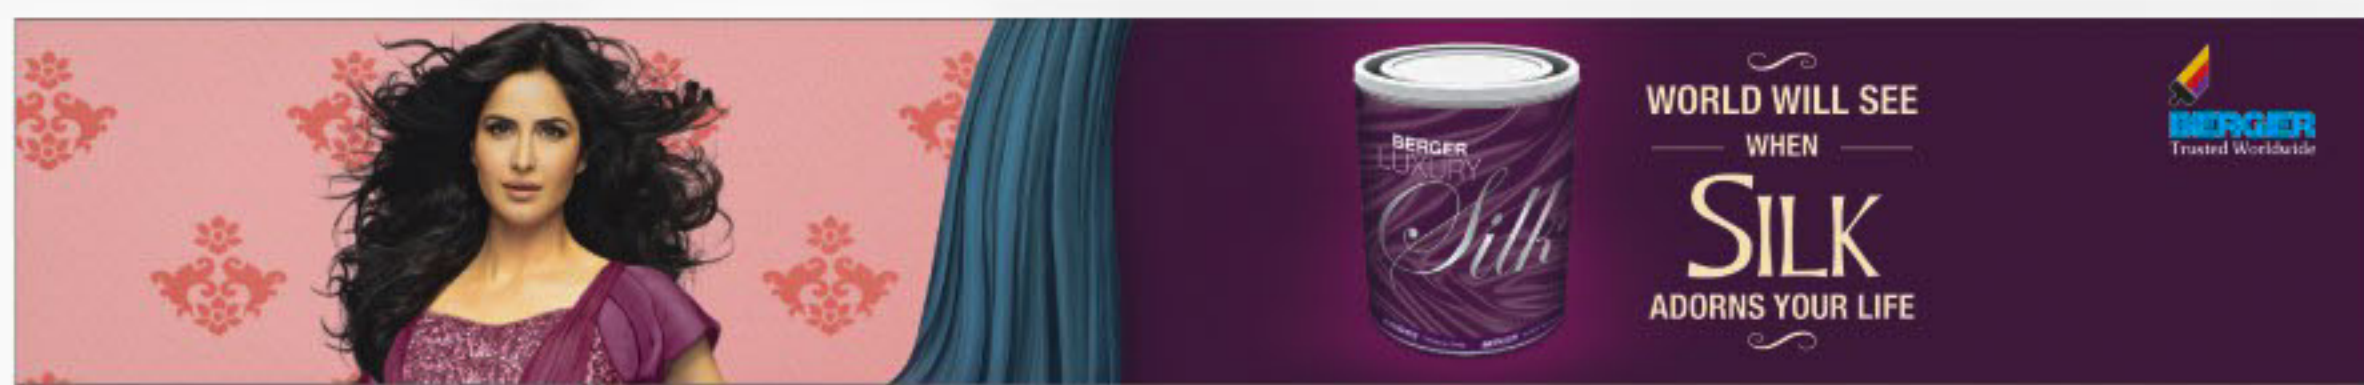

He was immediately taken to a hospital for an MRI. It's still not certain as to how long the player will be out; he will however not be able to take any further part in the World Cup.

Opener Imrul Kayes is likely to join the team in Australia as his replacement. Imrul, who was busy playing the National Cricket League until yesterday, left for Australia last night.

Once the technical committee of the ICC approves the replacement, Imrul will be available for the Tigers.

Anamul will be the second player after Al-Amin Hossain, who was sent back home on disciplinary grounds, that the Tigers will replace in the mega event. Earlier pacer Shafiqul Islam, who had played a heroic role in the 2011 World Cup against England in Chittagong, replaced Al-Amin.

TAMIM second to 4k

SPORTS REPORTER

Opener Tamim Iqbal became the second

Bangladeshi to score **4,000** runs in one-day internationals. He reached the landmark during the World Cup match against Scotland in Nelson on Thursday.

He crossed the line by flicking a delivery through fine-leg for a boundary on his way to

making **95** runs. He reached the milestone in 137 innings. Shakib Al Hasan had also reached the landmark in this World Cup, during the game against Afghanistan.

MAT	INNS	RUNS	KNOCK	OPPOSITION	VENUE	YEAR
37	37	1000	55	India	Karachi	2008
70	70	2000	17	India	Dhaka	2010
102	102	3000	61	Zimbabwe	Bulawayo	2011
138	137	4000	95	Scotland	Nelson	2015

'PLAYED LIKE A COMPLETE TEAM'

GAZI ASHRAF HOSSAIN.

This was a win that gave us both relief and a sense of belief amongst the batsmen. Not at any point of time did they seem like losing. They knew that they could chase down the target and that's a good sign.

ABDUR RAZZAK

We were expected to win this game. However, Scotland batted well. Chasing 318 was going to be difficult for any team; no matter which side. So in those regards this is a big win. The best part is that the players can now carry this confidence into the next game against England.

MINHAJUL ABEDIN

In 1999 we were an inexperienced side that beat England. 2015 we were the experienced side and we did what was expected of us. It feels like we played like a team after a long time. Players can't relax now though. Their game against England will be in new conditions. They will need to be ready for new challenges.

AKRAM KHAN

We played as per our standard. However, I was a little scared initially because of the huge total. Once the top order started scoring though, it looked a lot better. I think had we taken an extra spinner things would have been easier. Also, Shakib [Al Hasan] should bowl earlier in the game. That could have put more pressure

Kyle Coetzer became the first Scottish to score a World Cup century when he hit a magnificent 156 against Bangladesh in Nelson yesterday.

FARUQUE AHMED

It feels good when you win with such authority and it also gives you a much needed confidence boost. All the top batsmen, except for one [Soumya Sarkar] who was unlucky, scored and that's a good sign. At least now the teams won't have the 'we can't reach this target' attitude. They know what they can do now. Maybe the one thing that they could have done in order to make things a bit more easier is bring in an extra left-arm spinner in the side. But then again I am happy with the guts showed by the batsmen. It's something that they needed to show ahead of the game against England. When they go into the next game they will have an extra sense of belief amidst them, something that might go on to play a key role.

CLEMON

Bangladesh fans enjoyed their win over Scotland at the Saxton Oval yesterday and Indian fans like this will be looking to do the same.

Sheikh Akbar: been 21 centuries in 26 Bangladesh won matches at the WC, chased 319 runs!! same number there were in 2003, in 52 games. Most is 24 in 49 of the team today. games in 2011.

OptaJim: There have
