Bangladesh Export Processing Zones Authority (BEPZA)

BEPZA Complex
Plot No. 19/D, Road No. 6, Dhanmondi, Dhaka
No. 03.313.007.00.00.067.2015/713 Dated: 08 March 2015

Request for Expression of Interest (EOI) for Selection of Consulting Firms for "Software Development & Implementation for BEPZA Executive Office and Zone Offices"

- Bangladesh Export Processing Zones Authority (BEPZA) is the official organ of the Government of Bangladesh to promote, attract and facilitate foreign investment in the Export Processing Zones. The primary objective of an EPZ is to provide special areas where potential investors would find a congenial investment climate, free from cumbersome procedures. BEPZA approaches an 'Open Door Policy' to attract foreign investment to Bangladesh particularly through industrialisation and stimulate rapid economic growth of the country.
- Bangladesh Export Processing Zones Authority (BEPZA) has some software like as 1) Accounts management system, 2) Payroll management system, 3) Provident fund management system, 4) Human resource management system, etc. using Microsoft Server 2005 based database as back-end and VB 6.0, C#.Net, ASP.Net as front end. Now BEPZA wants to convert/upgrade or develop (where needed) these software as web based or online based. Furthermore some additional software/modules are required for BEPZA and its Zone offices. So BEPZA is searching the appropriate consulting firm who will develop, implement and maintain the software. The software will be procured by BEPZA's own fund.
- The objectives of the consultancy services are to provide a fully functioning and streamlined ERP system to BEPZA and all EPZs; to enable BEPZA staff to efficiently complete various work processes for (i) Human Resources and Payroll Management System (ii) Accounts Management System Including Inventory (iii) Project Management System Including Engineering and Maintenance Works (iv) Ansar and Security Personnel Management (v) Worker Welfare Association (WWA) member management system (vi) MIS reporting system including Exception reports for Zone offices (vii) etc. and with reduced reliance on paper documentation.
- The main tasks of the consulting firm are as follows:
 - The firm will design, develop, deploy and maintain the software(s) for the abovementioned systems.
 - The firm is expected to develop the solution as per the organisation requirement of client. In this case the firm should follow the present process and should provide a proposed process flow of the systems for improvement of the process.
 - The firm will migrate the existing data from the database of BEPZA.
 - The proposed system will generate all the existing reports from the current systems. The proposed system must have report generator system for any upcoming future requirement.
 - Under a phased approach determined by BEPZA, the system will be rolled out to all EPZs.
 - Training must be provided to the users of BEPZA, EPZ's, Enterprises so that they can operate the system with minimal supervision.
 - The firm will provide one System Administrator on-site at the BEPZA Executive Office to maintain the Servers: Application Server and Database Server and Backup Server/Disaster Management Server during the contract period.
 - The firm will provide one technical support staff on-site at the BEPZA Executive Office for the contract period.
 - The firm will provide the software including source code and they will provide standard technical documentations (BRD, HLD, Infrastructural Design, SRS, User Manual, Configuration Manual etc.) of the software.
- BEPZA now invites eligible consulting firm(s) to express their interest in providing the abovementioned services. They should provide information demonstrating that they have the required qualifications and relevant experience to perform the services. EOIs should include (i) brochures (ii) experience of the firms (iii) description of similar assignments in the last 5 years (iv) financial resources (v) availability of relevant staff (vi) annual turnover for the last 3 years (vii) registration of the firm (viii) age of the firm in relevant business.
- The EOIs would be short-listed on the basis of: (i) At least 5 (five) years of working experience of ICT Solutions; (ii) Experience in Centralised Database System in the similar field and similar institutions; (iii) Availability of support services (iv) Completion of successful projects on web-based software applications for any government/semi-government/autonomous/multinational organisation with letter of appreciation.
- Consultants may associate with other firms in the form of a joint venture to enhance their qualifications. It is preferable to limit the total number of firms including the lead firm to a maximum of two.
- The procurement process would be Quality and Cost Based Selection method in accordance with PPR 2008.
- Further information can be obtained at the address below during office hours on working days.
- The EOI must be delivered to the address below by 12.00 hours local time on 05 April, 2015 in two sets (1 original + 1 copies) and clearly marked "Request for Expression of Interest (EOI) for Software Development & Implementation for BEPZA Executive Office and Zone Offices".
- The authority reserves the right to accept or reject any or all the EOIs, or annul the process at any stage without assigning any reason(s) whatsoever and without incurring any liability to the affected applicant(s).
