

Ctg Wasa to meet 70pc water demand by Oct: Officials

STAFF CORRESPONDENT, Ctg

The construction of a water treatment plant, with a capacity of supplying 143 million litres per day (mld) to mitigate water crisis in Chittagong city, is expected to be completed by October this year, officials said.

Under "Karnaphuli Water Supply Project", financed by Japan International Cooperation Agency (Jica), Bangladesh government and Chittagong Wasa, a new water reservoir will be installed at Nasirabad and the reservoir at Battali Hill will be modified, they said.

Two joint ventures from China and Japan and a Korean company are involved in implementing the project at a cost of Tk 1,510.18 crore, according to official records.

Of the amount, Jica is giving Tk 991 crore, while Tk 504 crore and Tk 15 crore are coming from the government's development project fund and Wasa respectively.

Currently, Wasa can supply 210-220 mld to the city dwellers covering 42 percent of water where the total demand is 500 mld.

After completion of the project, Wasa will be able to supply about 70 percent of the total demand, said Managing Director AKM Fazlullah.

Family members claim some plain-clothes men, introducing themselves as Detective Branch (DB) officials, picked Manna up from the capital's Banani on February 24 around 3:30am.

Police officials said it was over 20 hours later that Rapid Action Battalion arrested

and handed him over to DB in a case filed with Gulshan Police Station for "trying to instigate revolt by the armed forces".

The arrest came a day after his phone conversations with BNP leader Sadeque Hossain Khoka and an unnamed person surfaced in the media after being leaked.

In one conversation, Manna was heard talking to Khoka about strengthening the anti-government movement, among other issues.

regarding their registration since then.

Asked why the government is not registering new auto-rickshaws, MAN Siddique, secretary to Road Transport and Highways Division, said it was because there were several cases under trial in court. Fresh enrolment will depend on the court order, he said.

Asked about the process, he said new auto-rickshaws were registered in batches, and the number of new enrolments was fixed on the basis of demand and route capacity.

The government invites applications through a gazette notification after fixing the number, added Md Sirajul Islam, deputy director of BRTA, Chittagong region.
