INFORMATION FOR TENDERER

22	Eligibility of Tenderer	<ol style="list-style-type: none"> Tenderers shall have the legal capacity to enter into the Contract. A Tenderer that is under a declaration of ineligibility by the Government of Bangladesh in accordance with applicable laws at the date of the deadline for Tender submission or thereafter shall be disqualified. Tenderers and all parties constituting the Tenderer shall not have a conflict of interest pursuant to Rule 55 of the Public Procurement Rules, 2008. Tenderers from all countries are eligible, except countries having no diplomatic relations with Bangladesh. Tenderers shall not be insolvent, be in receivership, be bankrupt, be in the process of bankruptcy, be not temporarily barred from undertaking business and it shall not be the subject of legal proceedings for any of the foregoing. Tenderers shall have fulfilled its obligations to pay taxes and social security contributions under the provisions of laws and regulations of the country of its origin. In the case of foreign Tenderers, a certificate of competent authority in that country of which the Tenderer is citizen shall be provided.
----	-------------------------	---

23	Qualification Criteria of Tenderer	<p>6. These requirements for eligibility will extend, as applicable, to the Sub-contractor(s) proposed by the Tenderer. More information is available in the Instructions to Tenderers (ITT) and Tender Data Sheet (TDS) of Tender Documents.</p> <p>In order to participate in the Tender, a prospective Tenderer must be a manufacturer of geosynchronous satellites whose capabilities, track record, and compatibility with multiple commercial launch systems, meet specific mandatory requirements set forth in Tender Data Sheet ("TDS"), including, but not limited to, the following:</p> <ol style="list-style-type: none"> Tenderer must demonstrate that it is a qualified manufacturer of geosynchronous communications satellites with a minimum of fifteen years of commercial experience building such satellites. Tenderer must demonstrate that since the year 2000: <ol style="list-style-type: none"> geosynchronous satellites that it has constructed have been launched on at least two different types of commercially available launch vehicles from minimum two different launch agencies; it has successfully manufactured and launched at least 15 commercial geosynchronous communications satellites with 15 year design life; that at least 10 commercial geosynchronous satellites it has launched have been in operation and providing commercial services for at least 10 years. Tenderer must demonstrate that its proposed satellite is able to be launched by at least two different commercially available launch vehicles from different launch agencies, each of which can: <ol style="list-style-type: none"> successfully deliver the Bangabandhu Satellite to the 119.1°E Orbital Slot without negatively impacting the 15 year design lifetime of the satellite; demonstrate that from 1 January 2010 to 31 December 2017, it has launched, or has commitments from bona-fide customers on its manifest to launch, at least 10 commercial geosynchronous communications satellites manufactured by at least two different satellite manufacturers; <p>Tenderer must have a supporting letter from each launch service provider, certifying that it meets the above three requirements, and that it is committed to fully supporting the Tenderer in meeting the launch schedule requirements.</p> <p>Additional criteria are available in the Instructions to Tenderers (ITT) and Tender Data Sheet (TDS) of Tender Documents which are binding upon Tenderers.</p>
24	Brief Description of Goods, Works and Related Services	<p>The procurement of the Bangabandhu Satellite System is a Turnkey Procurement which includes Space Segment, Launch Services, Ground Segment (including facilities and civil works) and complete insurance coverage for all risks including Launch plus 1 (one) year. This is a true Delivery In Orbit ("DIO") procurement that requires delivering the satellite to its orbital slot of 119.1 degrees East longitude ("Orbital Slot") maintaining the Launch Date 16 December 2017. The Purchaser shall provide the land for Ground Stations and utilities such as electric, sewage, water and internet to support Contractor development efforts.</p> <p>Details are available in the Tender documents.</p>
25	Price of Tender Document (Tk./USD)	<p>USD 5000.00 (five thousand US Dollar) or BDT 400,000 (four hundred thousand Taka) in favour of Bangladesh Telecommunication Regulatory Commission through a Bank Draft/Pay Order from a schedule bank operating in Bangladesh, which is non-refundable.</p> <p>Only representatives with the Letter of Authorization in official letterhead of the Tenderer with a written request along with Bank Draft/Pay Order may purchase the Tender documents. In addition the representative will submit Non Disclosure Agreement (NDA).</p>
