

# BR to build container depot in Gazipur to transport RMG

UNB, Dhaka

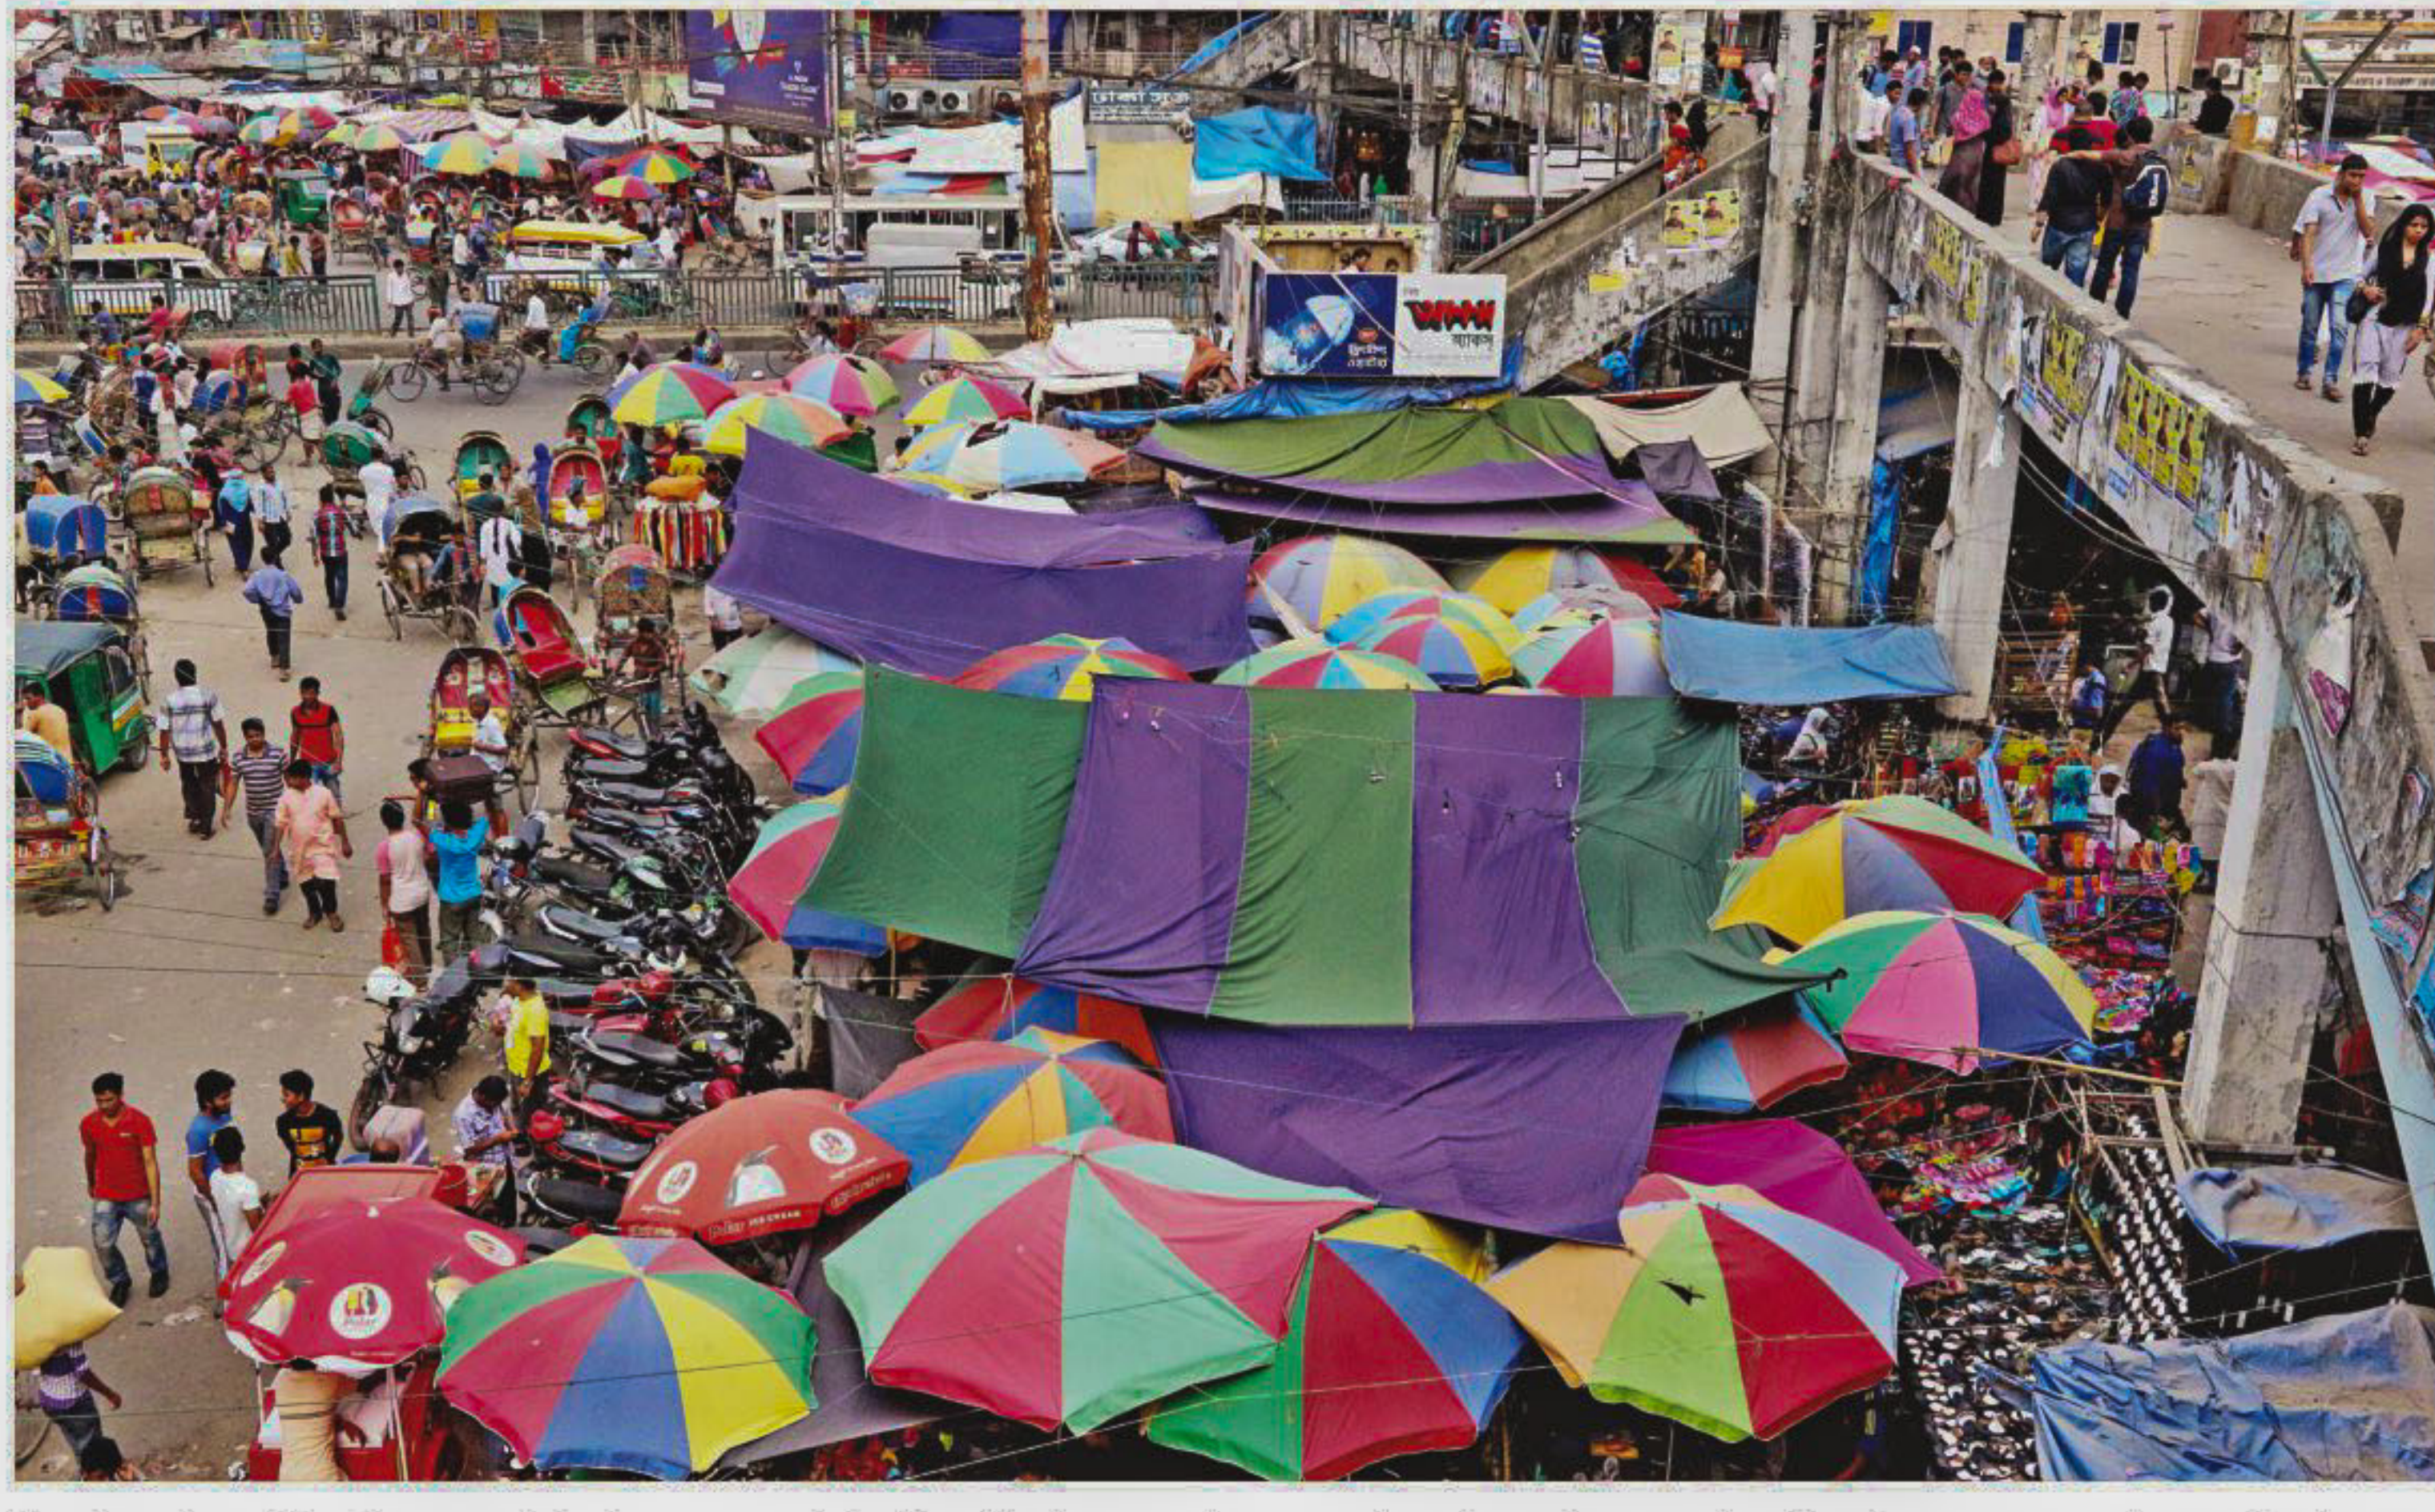

Bangladesh Railway (BR) will build an inland container depot (ICD) in Gazipur to facilitate the transportation of readymade garment (RMG) production directly from the factories in the district to the port city of Chittagong.

Railways Secretary (acting) Md Mansur Ali Sikdar told the news agency that the ministry had decided to construct ICD at Dhirashram, Gazipur so that the RMG factory owners could be attracted to use the railway service in sending their consignments to Chittagong.

Although a huge number of RMG factories are operating in Gazipur, most of the factory owners prefer to send their export consignments to Chittagong port by trucks as the alternative to sending the consignments by freight trains via Kamalapur Railway Station in the capital consumes too much time.

A Chinese firm can be hired for the project, he hinted.

The acting railways secretary said the construction of the ICD in Gazipur would make the transportation of RMG goods by freight trains easier compared to road transportation, and that this would boost BR's revenue income in the coming days. "The lion's share of BR's revenue comes from goods transportation."

# Ganges Barrage Project blessing for country

Say experts

UNB, Dhaka

The proposed Ganges Barrage Project will be a blessing for Bangladesh since the country is a low riparian area facing water-related problems, according to experts.

Noted water expert Prof Ainun Nishat said the Ganges Barrage Project should be implemented as soon as possible to protect the country's southwestern region, including the Sundarbans.

The government has already completed the feasibility study and design of the proposed 2.1km long Ganges Barrage Project at Pangsha of Rajbari, some 98km downstream from the Farakka Barrage built in the Paschimbanga state of India.

The proposed project has a reservoir to augment the flow of water and its equal distribution, in both dry and wet season, over the Ganges

dependent area. The project will meet the demand of the Ganges water for agriculture, fisheries, ecosystems and navigation, experts and officials say.

Director (water resources) of Dhaka-based Centre for Environmental and Geographic

Information Services M Sarfaraz Wahed said Bangladesh will benefit from the project in all aspects -- salinity will be reduced considerably and all dead rivers of the region will be recharged after implementation of the project.

# Held 'Shibir leader' talks about sabotage plan: CMP

STAFF CORRESPONDENT, Ctg

Police yesterday claimed to have arrested an Islami Chhatra Shibir leader, who was "planning attacks" on different establishments of three state-run oil companies in Chittagong.

Six other Shibir activists were also arrested. Sub-inspector Babul Akhter of Patenga Police Station said Fazlur Rahman Rubel, 22, was president of Patenga unit Shibir, and was detained on Friday in an arson case.

In primary interrogation, he confessed to his involvement in the plan, said police.

Following Fazlur's lead, the law enforcers rounded up the six others -- AGM Ali Arif, Jamir Uddin, Abdul Karim Mahbubur Rahman, Abdul Karim and Khaled Hasan Rana.

Mohiuddin Selim, officer-in-charge of Bandar Police Station, said a central Shibir leader from Dhaka, Enamul Kabir held several meetings with local Shibir men in the port city on February 14-15 and assigned Fazlur to execute the plan.

Police came to know about the plot on February 21 and arrested Enamul and two Shibir leaders in the port city. Enamul later gave a confessional statement in court, police said.

## In Loving Memory of Lovely Faria

I am nearly at your resting place And just as I get near, I swear I hear your voice cry out Look Father -- I am over here. Gentle savior 'Allah' please look down, There's someone by your side, A small bewildered Faria She needs 'you' as her guide There was no stain on Faria's soul No hatred and no fear You must have loved her even more Then we who mourn her here When night falls, could you tuck her in, And help her with her prayers? Please kiss her silky brow sometimes, And give her joy and peace The glow she brought to all our lives Will never even cease. Bemoaned father Mamun
