A group of pro-BNP professionals yesterday claimed that the state was trying to conceal the matter that law enforcers had picked up BNP Joint Secretary General Salahuddin Ahmed and were holding him.

"Salahuddin's family has evidence that law enforcers picked him up," Shawkat Mahmud, president of one Bangladesh Federal Union of Journalists faction, told journalists when Bangladesh Peshajibi Parishad went to meet Salahuddin's wife at their Gulshan residence in the capital.

"Besides when the family went to file a general diary at the police station, police did not accept it which proved that the government is involved in the incident," said Shawkat, also BNP Chairperson Khaleida Zia's adviser.

Salahuddin's wife Hasina Ahmed burst into tears, saying 20 days had passed with no information coming up, reiterating

STAFF CORRESPONDENT

International Crimes Tribunal-2 yesterday fixed April 13 for submission of formal charges concerning eight alleged Jamalpur Al-Badr men's involvement in crimes against humanity during the 1971 Liberation War.

In the war crimes case against Forkan Mallik, it directed Patuakhali's deputy commissioner to submit within one month of receiving its order the Secondary School Certificate (SSC) registration records of a prosecution witness to confirm his age.

Meanwhile, in another case, the last prosecution witness exhibited before International Crimes Tribunal-1 a "list of martyr families" prepared by the Kishoreganj deputy commissioner where Syed Hasan Ali was identified as a "Razakar commander" involved in killing 11 persons of Kishoreganj in 1971.

The tribunal, granting the prosecution's prayer, fixed April 15 for submission of the investigation report in a war crimes case against five persons of Kishoreganj, of whom Shamsuddin Ahmed, 60, a lawyer, has been detained while the others are on the run.

JAMALPUR-AL-BADR

Prosecutor Tapos Kanti Baul had sought from the three-member tribunal led by Justice Obaidul Hassan with members Justice Md Mozibur Rahman Miah and Justice Md Shahinur Islam three weeks to prepare charges against the eight.

OUR CORRESPONDENT, Barisal

A person was killed and 14 others were injured in two fire incidents in Barisal yesterday.

In the city, a worker was killed while four others were injured in a fire that broke out at a factory of Opsonin Pharma Ltd in Bogura Road area.

Nesaruddin Peyada, 48, a carpenter and son of Abul Payada, of Patuakhali, died at Sher-e-Bangla hospital where the four others are undergoing treatment.

The five workers were asleep on the fifth floor when the fire broke out at the packaging and godown section on the third floor of the six-storey building around 2:15am, said Saidur Rahman, the factory-in-charge.

Seven fire fighting units reached the spot within five minutes but succeeded to douse the blaze after 5:30am.

The fire officials suspect that the blaze originated from an electric short circuit and estimated the damage at Tk 5 crore.

Meanwhile, in Gournadi upazila, 10 people were injured while six business establishments and four houses were burnt down in Raipatty of Torkei Bandar. Two of the injured were admitted to the upazila health complex.

**Int'l CHTC slams 'alarming trend'**

STAFF CORRESPONDENT

International Chittagong Hill Tracts Commission (CHTC) yesterday strongly condemned the "alarming trend" of attacks on indigenous people

and those active in demanding the CHT peace accord's implementation, demanding that the perpetrators be brought to justice.

The attacks, related to land acquisition by Bangalee settlers and state

forces, occurred right before law enforcers, which indicates the latter's collusion and patronisation, says a statement CHTC co-chairs Eric Avebury, Sultana Kamal and Elsa Stamatopoulou issued.
