Is Christian Bale jealous of BEN AFFLECK?

Christian Bale has been the definite Batman in the Dark Knight Trilogy. Even though he quit, Christian Bale says he's jealous to hand Batman's cape to Ben Affleck. Ben Affleck is going to play Batman in DC's upcoming movie 'Batman VS Superman: Dawn of Justice', coming in 2016. Bale told Empire (via ComicBookMovie): "I've got to admit initially, even though I felt that it was the right time to stop, there was always a bit of me going, 'Oh go on... Let's do another.' So when I heard there was someone else doing it, there was a moment where I just stopped and stared into nothing for half an hour."

Jay Bhanushali: Why would I be insecure of Sunny Leone?

Sunny Leone has been eclipsing her 'Ek Paheli Leela' co-star Jay Bhanushali at the film's promotions, but the latter says he is not insecure of the film star's popularity. While Sunny is grabbing all the limelight, Jay was asked if he is affected by it. He said: "I'm not a chick to get insecure of Sunny. I'd rather be insecure of my male actors because my competition is not with Sunny. My competition is with male actors...not my female co-actors." Directed by Bobby Khan, 'Ek Paheli Leela' also features Rajneesh Duggal, Rahul Dev and Mohit Ahlawat among others. Jay, who started with the TV world, stepped into filmdom with "Hate Story 2", and then featured in 'Desi Kattay'. Asked about his role in 'Ek Paheli Leela', he said: "I'm really happy with this film as this is a role which I have not done before. I can't reveal much about my character, but I play a musician and singer in this film. I'm a fun loving and cool type of a guy."
