

BOISHAKH CHECK IT OUT

Celebrate Pohela Boishakh 1422 with Shwapno Life

SHWAPNO Life welcomes Pohela Boishakh 1422 with their line of newly designed clothes, based on the theme of "Reflection of Life". The new theme and patterns that go with it portray the reflection of life led by various people. With summer just around the corner, cottons and kota materials have been wisely chosen in the making of saris, kameezes and panjabis, which are available at all Shwapno Life outlets spread around the country.

The colour white being synonymous to peace and prosperity alongside the colour red resembling exuberance of youth have been the two colours of choice aiming to showcase the undying festive spirit among the Bangladeshi people.

The attractive new Boishakhi collection will be available in stores from 25th March 2015. Prices of saris range from BDT 1,150 to BDT 2,995, shalwar kameez sets range from BDT 1,215 to BDT 3,990, kurtis range from BDT 1,150 to BDT 1,550, panjabis range from BDT 1,140 to BDT 1,400 and their kids collection ranges from BDT 600 to BDT 950.
