

# COLOURS OF BANGLADESH

PHOTOS: PRABIR DAS

With Boishakh at our doorstep, the aura around the city has changed, and the rain of the *Kalboishakhi* just adds a little more to it every day. Dhaka is now all about flowers, colour, excitement and celebration. As we observe the whole city come together to commemorate this joyous occasion, let's take a breath and watch the city transform into a canvas for this New Year. Shubho NoboBorsho!
