- This invitation for bids (IFB) follows the General Procurement Notice (GPN) for this credit that appeared in UNDB online (DB Reference No. WB6355-11/13) on November 20, 2013.
- The Government of the People's Republic of Bangladesh has received a credit in the amount of approx US\$ 350 million equivalent from the International Development Association (World Bank) toward the cost of Siddhirganj Power Project, and it intends to apply part of the proceeds of this credit to payments under the agreement resulting from this IFB: GTCL-ERP/EAM System and IFB number GTCL-G2.
- The Gas Transmission Company Limited (GTCL) serves as the implementing agency for the project and now invites sealed bids following single-stage single envelope bidding process from eligible bidders for design, supply, installation, implementation, integration, testing, technical and user training of Enterprise Resource Planning (ERP)/Enterprise Asset Management (EAM) system software in Purchaser/GTCL Head Office and 17 Nos. operational offices all over the Bangladesh. The ERP/EAM system will be consisted of the following three components:
Component A: ERP/EAM Software Solution
Component B: ERP/EAM Infrastructure and Other Software Solution
Component C: Data Connectivity Solution
 All components will be implemented under a single turnkey contract on single point responsibility to be completed in 18 months. The warranty period is 36 months and post-warranty period is 36 months after completion of warranty period.
- Bidding will be conducted using the International Competitive Bidding (ICB) procedures specified in the World Bank's Guidelines: Procurement of Goods, Works and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank's Borrowers, January 2011 and is open to all bidders eligible as defined in these guidelines, that meet the following minimum qualification criteria:
 - Bidder (each partner in case of Joint Venture) must have been in operation in IT Sector (IT infrastructure or ERP/EAM software or ERP/EAM implementation services business) for a minimum of last five (5) years.
 - Bidder must have completed within the last ten (10) years at least two (2) ERP/EAM software solution contract involving implementation, installation and technical support for COTS ERP/EAM software solution with a minimum value of US\$ 3 (three) million or equivalent of each contract and is fully operational for at least 2 (two) years in which 1 (one) must be in any gas/utility entity. In case of joint venture, the partner in charge (i.e. lead partner) must have at least 1 (one) ERP/EAM implementation services business experience.
 - Bidder (Single or Joint Venture) shall demonstrate average annual business turnover of at least US\$ 15.00 (fifteen) million or equivalent calculated as total certified payments received for contract in progress or completed within last 5 (five) years. In case of joint venture, one partner must meet at least 40% requirement and each of the remaining partners must meet at least 25% requirement but all partners together meet 100% requirement.
 - Bidder (Single or Joint Venture) must demonstrate minimum US\$ 2 (two) million or equivalent present liquid asset and/or line of credit. In case of joint venture, one partner must meet at least 40% requirement and each of the remaining partners must meet at least 25% requirement but all partners together meet 100% requirement.
 - Bidder must engage one or more firms registered in Bangladesh to provide warranty support services (i.e. post implementation support services) under the contract resulting from this bidding process, if the bidder does not have any registered office in Bangladesh. The firm(s) must have fully functional office in Bangladesh and continued IT business in Bangladesh for the last 3 (three) years. The bidder may engage the firm(s) to provide post installation support services either as partner of the Joint Venture or subcontractor or Agent. The scope of support services must be mentioned in the scope of Joint Venture agreement in case of Joint Venture partner or authorization letter in case of subcontractor or Agent agreement in case of an Agent.
 - Bidder should have valid certification for ISO 9001:2008 or equivalent following the industry best practices.
 - The proposed Project Manager of the bidder must have a minimum of 10 (ten) years' experience in IT sector with at least 1 (one) successfully completed project using the proposed ERP/EAM software in the bid.
- Interested eligible bidders may obtain further information from GTCL and may inspect the bidding documents at the address given below from 10:00am to 16:00pm BST (GMT +6) on all working days. A pre-bid meeting which potential bidders may attend will be held on May 25, 2015 at 14:00 hours (BST) at corporate office of GTCL.
