Pride's summer

Pride Limited has recently launched its Signature Collection of summer saris. Historically Pride has been known for its designer wear saris.

In the past few years, the trend of wearing saris has gone down, and Pride faced the challenge of attracting women to wear saris without compromising on style and sophistication. The collection is intended to break the myth that saris, especially in the summer, are just a hassle. The new age, light-weight and soft saris that Pride has introduced can be worn
