# A JOURNEY BY PAST

## APURBO

Apurbo is a very popular model turned actor. He's a very rare case as he is one of those few successful ones to do the transition with great success. However, much to the dismay of his fans, he is very selective about the projects he undertakes so he isn't seen much on screen. Now though, he seems to have chosen a new TV Drama called "A Journey by Past". He will be joined by veteran actress Shoshi and the director is M.I. Jewel.
