The arrestee is Sagir Gharami, 38, son of Yusuf

Ali Gharami of the village.

A team of forest officials, acting on a tip-off, raided the house of Sagir and arrested him in the morning, said Kamal Uddin Ahmed, assistant forest conservator of Sharonkhola range of the Sundarbans.

According to the statement of Sagir, they also seized the bones, skull of

Royal Bengal Tiger and the deer-hunting trap from a pond near his house.

MASSIVE IRREGULARITIES

HSC exam centre in Barguna cancelled

Probe body recommends legal action against 9 teachers

OUR CORRESPONDENT, Patuakhali

Barisal Secondary and Higher Secondary Education Board has cancelled a running HSC examination centre in Amtali upazila town of Barguna district as massive 'irregularities' were found there during the public examinations.

The decision was taken in a meeting of the examination committee at the board office on Monday afternoon.

They also decided to take the rest of the examinations at Patuakhali Government Women's College from tomorrow, said Liakot Hossain Jewel, college inspector.

Apart from this, the board authorities took decision to suspend nine teachers of different colleges from all kinds of examination related activities till further decision, he said.

The copy of the reports was already sent to the Ministry of Education and Directorate of Secondary and Higher Secondary Education to take further step over the matter, said Jewel, a member of a probe body formed to investigate into the irregularities.

Earlier, a three-member probe body, led by Abdul Motaleb Howlader, sec-

tary for Barisal Secondary and Higher Secondary Education Board, visited the spot on Sunday.

They later collected pieces of evidence and documents in this regard and took statements from the upazila nirbahi officer, principals of different colleges, teachers, journalists, policemen and local people as well, said sources.

According to the report submitted on the same day, the examination committee took the decision.

"We recommended to the higher authorities for taking lawful steps against the nine teachers for their involvement in helping the students to adopt unfair means in the centre," said Jewel.

From the beginning of HSC examinations under the board held at Amtali College Centre, a group of teachers captured pictures of the question paper on their cellphones about 15 minutes before start of the examinations and sent it to outside where another section of teachers supplied answers to the examinees in the centre.

Later, various reports were published in different media over the issue.

A total of 931 examinees of all five colleges in Amtali upazila are taking part in the public examinations this year.

BGB, local admin work to ensure peace in Kurigram enclaves

UNB, Kurigram

Border Guard Bangladesh (BGB) along with the local administration are closely working with the people of 12 Indian enclaves in the district to ensure peace and control the law and order situation as the land boundary agreement (LBA) between Bangladesh and India awaits implementation.

Earlier on May 6, Indian Lok Sabha passed a bill to implement the LBA with Bangladesh, a move welcomed by thousands of people living in 162 enclave areas along the border of the two countries as it is expected to end their 68-year-long captive life.

There are 12 Indian enclaves in Kurigram district of Bangladesh and 18 Bangladeshi enclaves in the adjoining Indian district of

Cooch Behar.

Lt Col Jakir Hossain, commanding officer of Kurigram Battalion 45 of BGB, said he along with the district's Assistant Superintendent of Police Masud Alam has recently visited five enclave areas in Bhurungamari upazila under the district and found the people in a festive mood there.

No untoward incident has been reported so far and the administration has urged all the people for assistance in maintaining law and order in the coming days, he said.

However, local people have expressed concerns over the long-standing dispute between the supporters of two groups working with the enclave communities -- the United Council and the Bangladesh-India Enclave

Exchange Coordination Committee.

Mizanur Rahman, a leader of United Council's Dashdia Chhara enclave, alleged that some supporters of the Bangladesh-India Enclave Exchange Committee tried to spread fear among the people following the recent developments regarding the enclave exchange between the two countries.

Denying the allegation, Enclave Exchange Coordination Committee's Bangladesh unit general secretary Golam Mostafa said a quarter opposing the LBA is hatching conspiracies over the recent progress in the process of enclave exchange.

Kurigram Deputy Commissioner AMB Azad said they are keeping alert over the law and order situation in the enclaves.
