'BCL attack' leaves Chhatra Union men, cultural activist injured

Pro-ruling party student leader 'ploughs' through procession, but takes offence for being stopped

OUR CORRESPONDENT, Moulvibazar

Two leaders of Bangladesh Chhatra Union and a cultural activist were injured when Bangladesh Chhatra League activists allegedly attacked a procession of the former, demanding arrest of the murderers of blogger Ananta Bijoy Das, in Sylhet city Tuesday night.

Saptashi Das, general secretary of Sylhet district unit Chhatra Union, suffered heavy bruises in the arms and legs, while the unit's treasurer Roni Das and Udichi's Sylhet unit joint secretary Shah Newaj Shohag sustained minor wounds in the arms, Roni told The Daily Star from MAG Osmani Medical College Hospital where all three were admitted.

He said the attack came 30 minutes after Chhatra Union activists stopped BCL's Sylhet district unit President Shahriar Alam Samad when he was driving his motorcycle speedily through the procession, which was headed towards the Central Shaheed Minar. "We tried to stop him but he was defiant. Initially he didn't say anything. But he came with a gang and attacked us when we were about to end our rally at the Shaheed Minar," he said.

There were 15-20 attackers, and they were carrying iron rods, hockey sticks, and bamboo poles, said Paplu Bangli, president of Sylhet city Chhatra Union. A cloth trader near the

7 charges accepted against 5 'Razakars' of Kishoreganj

Tribunal also issues fresh arrest warrants against four of them, seeks report on their whereabouts from IGP by May 31; sends three Jessore war crime suspects to jail

STAFF CORRESPONDENT

International Crimes Tribunal-1 yesterday accepted seven war crimes charges against five alleged Razakars of Kishoreganj's Karimganj upazila, issuing fresh arrest warrants against four who are absconding, and asked the inspector general of police to submit a report on their whereabouts by May 31.

Gazi Abdul Mannan, 88, was the alleged commander of Karimganj Razakar camp, while Nasiruddin Ahmed, 62, his brother Shamsuddin Ahmed, 60, who is now in jail, Hafiz Uddin, 66, and Azharul Islam, 60, were alleged Razakar members.

The prosecution on May 10 pressed the charges, including mass killing, murder, confinement, torture, arson and looting committed in the upazila between August 25 and November 13 during the 1971 Liberation War.

THREE "RAZAKARS" SENT TO JAIL Meanwhile, the three-member tribunal led by Justice M Enayetur Rahim sent three war crimes suspects to jail after law enforcers produced them.

Police arrested Billal Hossain, Akram Hossain and Ozehar Moral in Jessore yesterday, Prosecutor Rezia Sultana Chaman told The Daily Star.

The tribunal on Tuesday issued arrest warrants against 11, including the three, alleged members of the Razakar Bahini, the Pakistani occupation army's auxiliary force, in Jessore during the Liberation War.

The suspects were allegedly involved in rape and killings in Jessore's Keshabpur upazila.

The others, Ibrahim Hossain, Sheikh Majibur Rahman, Abdul Aziz Sardar, Aziz Sarder, Kazi Oahidul Islam, Lutfar Moral, Abdul Khaleq Moral and Mushiar Rahman, are on the run, said Rezia.

According to the investigator, the suspects were "associates of Sakhawat Hossain", a former Jamaat-e-Islami and BNP lawmaker from Jessore now in jail over a war crimes case.

The prosecution said while investigating the war crimes allegations against Sakhawat in Jessore, the investigation officer found involvement of the 11 in several crimes.

The tribunal had earlier directed the prosecution to submit formal charges or a progress report into the investigation against Sakhawat on May 17.

TWO GRAFT CASES Destiny boss Rafiqul Amin denied bail

STAFF CORRESPONDENT

The High Court yesterday denied bail to two Destiny Group high officials, including its Managing Director Rafiqul Amin, in two cases filed by the Anti-Corruption Commission.

The two--Rafiqul and Destiny Multipurpose Cooperative Society Ltd Chairman Mohammad Hossain--are now in jail in the cases on charge of misappropriating around Tk 4,200 crore through Destiny Tree Plantation project and the cooperative society.

The bench of Justice Md Moinul Islam Chowdhury and Justice JBM Hassan, however, directed the jail authorities to provide proper treatment to Rafiqul, as his lawyer Ajmalul Hossain informed it that he is seriously ill.

The court rejected their bail petitions considering the gravity of offences allegedly committed by the Destiny officials, ACC lawyer Khurshid Alam Khan told The Daily Star.

On August 10, 2014, the HC issued two rules upon the ACC and the government to explain why Rafiqul and Hossain should not be granted bail in the cases.

The fresh ADP for the next fiscal year is likely to have some 1,123 projects including 854 investment projects, 132 technical assistance projects, 12 projects from the Japan Debt Cancellation Fund and 125 projects from the autonomous bodies and corporation's own fund.

The proposed new ADP also kept some 857 unapproved projects without allocation at the green page of the ADP while some 382 unapproved new projects have been kept subject to the availability of fund from project assistance.

Besides, some 40 projects will be kept for implementation under the Public-Private-Partnership initiative.

A planning commission member wishing anonymity said with the implementation of the proposed ADP, it was expected that the target of socio-economic development and economic growth would be achieved through expansion of the economic activities, creating more employment opportunities, development in the transport and communication sector, power and energy sector development, improvement in health and education, human resource development, rural infrastructures development, ensuring food security and poverty alleviation.

Earlier on May 7, an extended meeting of the planning commission recommended the Tk 92,500 crore ADP.
