

GRAPE VINE

BACK FOR MORE:

Riaz

A while back, Riaz was one of the most popular and demanded actor in the industry. However, he had since taken a big gap from the industry, much to the dismay of his fans. Seems he is now back to form, getting involved numerous productions. He is about to start a new project immediately after completion of a previous project. The new film is called "Koler Putul". It's being produced under Impress Telefilms and directed by Reza Galib. Acting alongside Reaz is Bonna Mirza and Mun.

DESPITE ALL ODDS:

Mahiya

MAHI

The stunning Mahiya Mahi is going stronger than ever in the film industry. Her latest film, Warning, was very well received by the audience and it shows the love her audiences have for her. Acting alongside her was male actor extraordinaire Arefin Shuvo. She is also currently working on the sequel to her hit film Agnee, Agnee 2. Most of the shooting has been done and she is currently in India filming the rest of the film. The film is produced under Jazz Multimedia, the production house with whom Mahi has had issues in the past, for which she recently thought about quitting the industry all together.

Prosun's *Ochena Hridoy*

Prosun Azad, the runner up from the 2012 Lux Channel i Superstar, is appearing in a new film called Ochena Hridoy which is slated to be released 22nd May 2015. The film is directed by S.I. Khan and her co-stars include Emon and A.B.M. Shumon. While she hasn't really made that much of an impact in the media since her time in the industry, but this could be her lucky break.
