

Orion's New Cricket Shoes

Cricket is a very popular game in Bangladesh. A large number of young people these days are cricket fanatics. To cater to the needs of such cricket enthusiasts, Orion Footwear Limited recently marketed 'Crick Mania' under their sports brand, Stamino.

This shoe can be used during your morning jog, a quick game with your friends, a school racing competition or even as a regular wear.

A lot is expected from a pair of shoes, isn't it? It needs to be sleek and stylish. And at the same time, it must be comfortable. And durability is yet another factor. Finding

shoes that can compound all these qualities can indeed be very difficult.

Orion's shoes are very trendy and fashionable, light-weight and are designed for optimal performance. They are also durable and provide abrasion-resistance. These shoes are designed using Molded EVA technology to provide optimum cushioning. The products boast many other features that ensure the maximum comfort.

So for all the cricket fanatics out there, Crick Mania shoes are now available in all the retail stores of Orion Footwear at an attractive price of Tk.2490, for sizes ranging from 6 to 10.

Cats Eye for kids

Cats Eye, through the long thirty five years of its journey, has achieved many milestones and set new trends and standards in the world of fashion. In continuation of this journey, it has recently launched a new brand, Cats Eye- Kids.

As the name suggests, this line specialises on attires (casual as well as formal) for children. The wardrobe consists of both Western and traditional wear. Cats Eye has been in this business for decades. Therefore, the fashion brand can surely find helpful the

experience and expertise it has attained in this new venture. As for the customers, it is a very good option when trying to decide where to go to for buying clothes for their little ones.

Cats Eye- Kids is surely something you should check out. However, this new line is at the moment only available in 8 Cats Eye outlets in Dhaka and Chittagong. But the attires can also be found (and can be bought) online, from their website, www.catseye.com.bd
