

Celebrate Ramadan at Khazana

"This year, we have decided to surprise our guests with an array of sumptuous dishes along with your favourite Khazana ke Jelebi and Lucknowi Haleem," said Avishek Sinha, Director of Operations, Khazana. "This time, we have decided to unveil a grand Mughlai cuisine as well," he added.

To make the gourmet experience worth remembering, there are live counters of 'Nizam rolls' with choices like chicken kathi rolls, among others.

"We are excited to provide a new range of sugar-free jilapis for our esteemed guests which will be a first time experience in Bangladesh," said the Executive Chef of Khazana.

There is also the kebab station you should definitely try out.

The restaurant, which is a winner of the Certificate of Excellence 2015 (awarded by Trip Advisor), is holding iftar cum dinner buffet at its outlets in Gulshan and Uttara.

"Along with the family guests, we are also catering to our corporate clientele. Special packages for the corporate iftar parties have been set. Khazana has already started taking bookings for the iftar dinner parties. We have also introduced special Iftar takeaway boxes and Iftar dalas," Sinha added.

Every celebration should have a sweet ending. You can try out sweets from the Khazana Mithai shops.

Iftar is available from 1pm. For reservations, call 01711476379 (Gulshan branch) and 01682000300 (Uttara branch).
