

Eastern University's study tour in China

The China Study Tour is an intensive week-and-a-half long course in Chinese language and culture. The study tour is open to all Eastern University (EU) students who have good academic record and are involved in extracurricular activities.

As a part of an agreement between EU and Yunnan Open University (YNOU) in China, YNOU Bangladesh Distance Language Learning Centre and Career Services and International Office (CSIO) took the initiative to launch the Chinese language and culture learning platform.

A group of eight students and two officials from EU visited China from

May 20 to 31 2015. During the visit, students had to take part in classes on language and culture. Yunnan Open University also organised a cultural programme to honour the visiting team where EU students also performed.

Besides their regular classes, students visited historical and scenic attractions of Kunming such as Western Hills, Dragon Gate, Dianchy Lake, Safari Park, Yangong Temple and Stone Forest.

EU students were impressed with the development of China in different sectors like transportation, education, technology and the idea of making a city especially for universities.

Workshop by UIU Business Club

UIU Business Club (UIUBC) organised its event, "Going Global: Conducting Business Internationally" on June 10 at the auditorium on campus. The event was supported by the Directorate of Student Affairs of UIU. "Going Global: Conducting Business Internationally" is a workshop which was conducted by an international guest, Micah D. Wells. Wells is the president of an international legal and business consulting firm called Continental Strategy Partners. The workshop began with an opening speech by the club moderator, Behroz Jalil.

The prime objective of this workshop was to help students discover their

entrepreneurial skills and to acquaint them with the real-life scenarios of the global workplace. The guest introduced students to nine key principles of how they can launch an international business, particularly in the Bangladeshi context. The guest explained the importance of having a strong business plan and asked students to do market research, identify their competitors, know the laws of a country, and develop a strong relationship with their partners.

The workshop ended with a speech by the Vice Chancellor Professor Dr. M. Rezwana Khan. Nearly 100 people attended the workshop.
