## *In Annondomela*

BTV's Annondomela is almost a tradition when it comes to specials aired during Eid. The show is being planned and presented by Abed Khan. This Eid's Annondomela will feature a special segment featuring the glamorous Joya Ahsan and handsome Ferdous. The feature will be a music video which will reflect our long film industry heritage with Joya and Ferdous donning outfits to reflect the bygone eras. It will be interesting to see how it turns out so don't miss the show.
