## Sust VC joins office with teachers resuming protests

OUR CORRESPONDENT, Moulvibazar

Shahjalal University of Science and Technology (Sust) Vice Chancellor Prof Aminul Haque Bhuiyan yesterday joined his office with the teachers resuming their demonstration demanding his resignation over "corruption and irregularities" in appointments.

The teachers under the banner of "Mohan Muktijuddher Chetonay Udbuddho Shikkhakbrinda" submitted memorandums to all department heads in this regard, campus sources said.

The VC, who denies the allegations, joined his office after over a month when the teachers called off their sit-in on the campus.

Before submitting the memorandums, the teachers rallied on the

campus yesterday.

Prof Shamsul Alam, president of the association, said the education minister, in a meeting with them Thursday, had assured them of curtailing the vice-chancellor's power in some areas, including appointment and budget allocation.

They will hold a meeting this afternoon to announce new programmes.

The VC, however, said the education minister did not give him any instructions about curtailing his power in another meeting with him on Friday and he is yet to get any official letter in this regard.

During the meeting, he was asked to continue his work, he added.

In wake of protests, the VC went on a two-month leave on April 23. Later, he started performing his duties from his residence.

### LAND GRAFT CASE

## Charges to be framed against Moudud if no SC order by Aug 13

ACC indicts Annee for concealing wealth info

COURT CORRESPONDENT

A Dhaka court yesterday told lawyers of BNP leader Moudud Ahmed that charges against him in a land-related graft case will be framed if no order from the Supreme Court is received in this regard by August 13.

The Senior Special Judge's Court of Dhaka gave the order while advocate Taherul Islam Tauhid was moving a petition seeking an adjournment of the hearing on charge framing against the BNP leader in the case.

In the petition, Tauhid said they had earlier filed a writ petition with the High Court challenging the legality of a lower court order that accepted charges against Moudud in the graft case on September 14 last year.

But the HC on June 23 rejected the writ petition and cleared the way for the lower court to run the graft case against Moudud.

Later, they filed an appeal with the SC which is now pending, said Tauhid.

### WAR CRIMINAL MOJAHEED'S DEATH PENALTY

## AG hopeful about full verdict in 3 wks

STAFF CORRESPONDENT

Attorney General Mahubey Alam has expressed hope that the Supreme Court will release its full verdict, which upheld the death sentence on Jamaat-e-Islami leader Ali Ahsan Mohammad Mojaheed for war crimes, in two to three weeks.

After the verdict is released the government can start the process of Mojaheed's execution, the attorney general told The Daily Star yesterday. On June 16, the SC in the short verdict upheld Mojaheed's death penalty for planning and instigating the killing of intellectuals and professionals near the end of the Liberation War.

After release of the full verdict Mojaheed can file a review petition with the SC within 15 days, but if it is rejected his last option to save himself is presidential clemency.
