The James P Grant School of Public Health, BRAC University (JPGSPH) celebrated its 10 year anniversary last week. The celebrations commenced on August 2, 2015 at the main JPGSPH campus in Mohakhali with a cultural programme performed by the current batch of students undertaking the Masters of Public Health at the School.

This was followed by a concert by popular Bengali band Shunno.

The festivities continued with a formal reception held on August 4 at BRAC Centre. Sir Fazle Hasan Abed, Founder & Chairperson, BRAC; Prof. Syed Saad Andaleeb, VC, BRACU; Dr. John Clemens, Executive Director, ICDDR,B shared the vision behind

Seminar to enhance knowledge dissemination at WUB

Researchers in a seminar at the Department of Electrical and Electronic Engineering of the World University of Bangladesh (WUB) proposed the alternative use of membrane technology for CO₂ separation. In a paper presented by Dr. Md. Musfiqur Rahman, Post-Doctoral Researcher, Helmholtz-Zentrum Geesthacht, Institute of Polymer Research, Department of Polymer Synthesis, Geesthacht, Germany, he emphasises that nanotechnology can improve the separation performance of commercially available polymer manufactures and hence contribute to power development. This was a series of the seminars held in the department of EEE in collaboration with IEEE to enhance knowledge dissemination. The session was graced by the pioneer of Engineering Education for Diploma Engineers in Bangladesh and the VC of the university, Emeritus Professor Dr. Abdul Mannan Choudhury as the chief guest. Amongst others present were Prof. Dr. M Nurul Islam, Pro-VC of WUB; Prof. AFM Abdur Rouf, Dean of the Faculty of Sciences of WUB and Prof. Dr. Quazi Deen Mohammad Khosru, Advisor, Department of EEE, WUB as special guests. Prof. Dr. Md. Amanullah Choudhury, Head, Department of EEE, WUB chaired the session.

establishing JPGSPH, the school's contribution to public health education and research in Bangladesh and the future of public health education in Bangladesh.

JPGSPH is currently accepting applications for its 12th batch of the Masters of Public Health programme, to begin in January 2016.
