Liquid cocaine was found in one of the 107 barrels which arrived at the Chittagong Port from Bolivia via Uruguay on May 8.

Maj Maksudul Alam, deputy director of Rab's legal and media wing, said the criminals on August 22 extorted Tk 50,000 from a trader Rafiqul Islam and his brother Ismail Hossain.

Later, they demanded Tk 10 lakh more from them and threatened to kill if they fail to give.

Following a complaint from the traders, Rab arrested the extortionists when they came to their shop -- Laxmipur Banijjalaya at Mirpur section-11 kitchen market -- to take the money.

DIPLOMATIC CORRESPONDENT

Iran is eyeing wider trade cooperation with Bangladesh especially in energy sector as the sanctions imposed on Iran are set to be withdrawn following the deal signed among super powers.

Iranian Ambassador in Dhaka Abbas Vaezi shared Iran's visions of future bilateral cooperation between the two countries during talks with diplomatic correspondents at Jatiya Press Club yesterday.

Abbas said Iran is in progress to establish a gas pipeline with Pakistan and India which can be extended to Bangladesh after negotiations.

Iran and six major world powers -- the United States, United Kingdom, Russia, China, France and Germany -- reached a nuclear deal capping more than a decade of negotiations with an agreement that could transform the Middle East.

said the Iranian envoy, who for the first time came up in such talk with media in recent years, hoped that the sanctions will soon be removed.

Diplomatic Correspondents Association, Bangladesh (DCAB) arranged the DCAB Talk with its President Masud Karim in the chair. DCAB General Secretary Bashir Ahmed also spoke at the function.

The ambassador said, "Bangladesh's energy deficit could be met by importing natural gas, CNG, LNG and LPG from Iran." The diplomat also mentioned that there is a huge demand of Iran's bitumen and petrochemical in Bangladesh market.

Abbas Vaezi said all the issues related to cooperation in the energy sector would be discussed with Bangladesh State
