Rapid Action Battalion (Rab) yesterday arrested three persons on charge of assaulting some customs officials and snatching goods from a cargo village at Hazrat Shahjalal International Airport on August 10.

Tipped-off, a team of Rab-1 arrested the trio -- Badrul Alam Shyamol, 37, Fakhru Alam Prince, 33, and Asifuzzaman Papon, 33, -- in the capital's Mirpur, said Lt Col Tuhin Mohammad Masud, commanding officer of Rab-1.

On that day, Shyamol and his men tried to snatch 15 cartons containing valuables worth Tk 50 crore without submitting any valid documents at the courier unit of the cargo house, Rab said.

When Customs officials locked the gate of the cargo godown they snatched the key and took away 12 cartons opening the gate, said Rab official Tuhin.

They also physically assaulted some officials present there and gave life threat to them, he added.

The following day, Assistant Customs Officer Shahjahan Ali, one of the victims, filed a case against eight persons including Shyamol and Prince.

The official said Shyamol was involved in courier service business at the cargo village and there are allegations against him that he was involved in snatching goods from the cargo village in the past.

### Lawyers' help must for quick disposal of cases: SK Sinha

STAFF CORRESPONDENT, Ctg

Alongside the efforts of judges, cooperation from lawyers is needed to reduce the backlog of cases faster and thereby lessen the miseries of justice seekers, stressed Chief Justice Surendra Kumar Sinha in Chittagong city yesterday.

Addressing a view-exchange programme in Chittagong Bar Council auditorium as the chief guest, the chief justice said, "It is not possible for judges to establish the rule of law without lawyers' cooperation."

Bangladesh is the country where the ratio of judges to people is the highest, said Sinha at the programme organised by Chittagong Bar Association.

According to many people, 31 lakh cases are still pending but the actual number is lesser, he added.

The chief justice also ensured that the vacant posts including that of additional sessions judges in Chittagong courts will be filled up as early as possible, and also informed that a plan to establish a Circuit Bench of the High Court in Chittagong court is being contemplated.

### Withdrawal of reservations about CEDAW sought

STAFF CORRESPONDENT

Reservations about some articles of the Convention for the Elimination of All Forms of Discrimination Against Women (CEDAW) should be withdrawn before signing of the Sustainable Development Goals which also emphasise removing discrimination in all spheres, said speakers yesterday.

To ensure women's rights, CEDAW was adopted by the United Nations on December 18, 1976, and Bangladesh ratified it on 1984 with reservations in articles 2, 13.1[a], 16.1[c] and [f], which refer to elimination of discriminatory policies against women.

Speakers at a press meet titled 'Ensure full ratification and implementation of CEDAW' organised by Citizens' Initiatives on CEDAW, Bangladesh, also referred to the Law Commission's recent report in favour of withdrawal of the reservation with instances of other countries.

Half the population of the country is being deprived of their rights relating to marriage, divorce, guardianship of children and ownership of assets.

They also urged the government to amend or scrap those discriminatory sections of legislation, and change traditional and negative perception towards women in coordination with the social organisations and media.

Article 2 of Cedaw stipulates that states should condemn discrimination against women in all its forms and agree to pursue by all appropriate means and without delay a policy of eliminating discrimination against women. Article 13.1(a) refers to equality of men and women, the same rights, with regards to the right to family benefits.

Similarly article 16.1(c) requires states to
