

SHAKEEB FAHAD is far from being an upcoming director. With a recent telco ad, featuring youth, colours and vibrancy, Fahad is now one of the most sought after ad filmmakers in town. He takes out a minute to speak about his dreams, likes and thoughts with the *Star Weekend*.

What are the three things you would take with you to a deserted island?

The three thing would be Scarlett Johansson, Candice Swanepoel and Natalie Portman. They would do just fine for me in the deserted island.

If you were given a chance to remake an old film/s, which film would it or they be?

I dare not mention the name 'A Clockwork Orange'. I will surely screw it up big time so it's better left alone.

What is your favourite midnight snack?

Mamuner morog polao from Nazira bazaar.

Which actors would you like to work with in the future?

I would like to work with Adnan Al Rajeev, Mostafa Sarwar Faruki & Redoan Rony as actors.

What is your favourite form of exercise?

Sleeping. I spend lot of energy by sleeping.

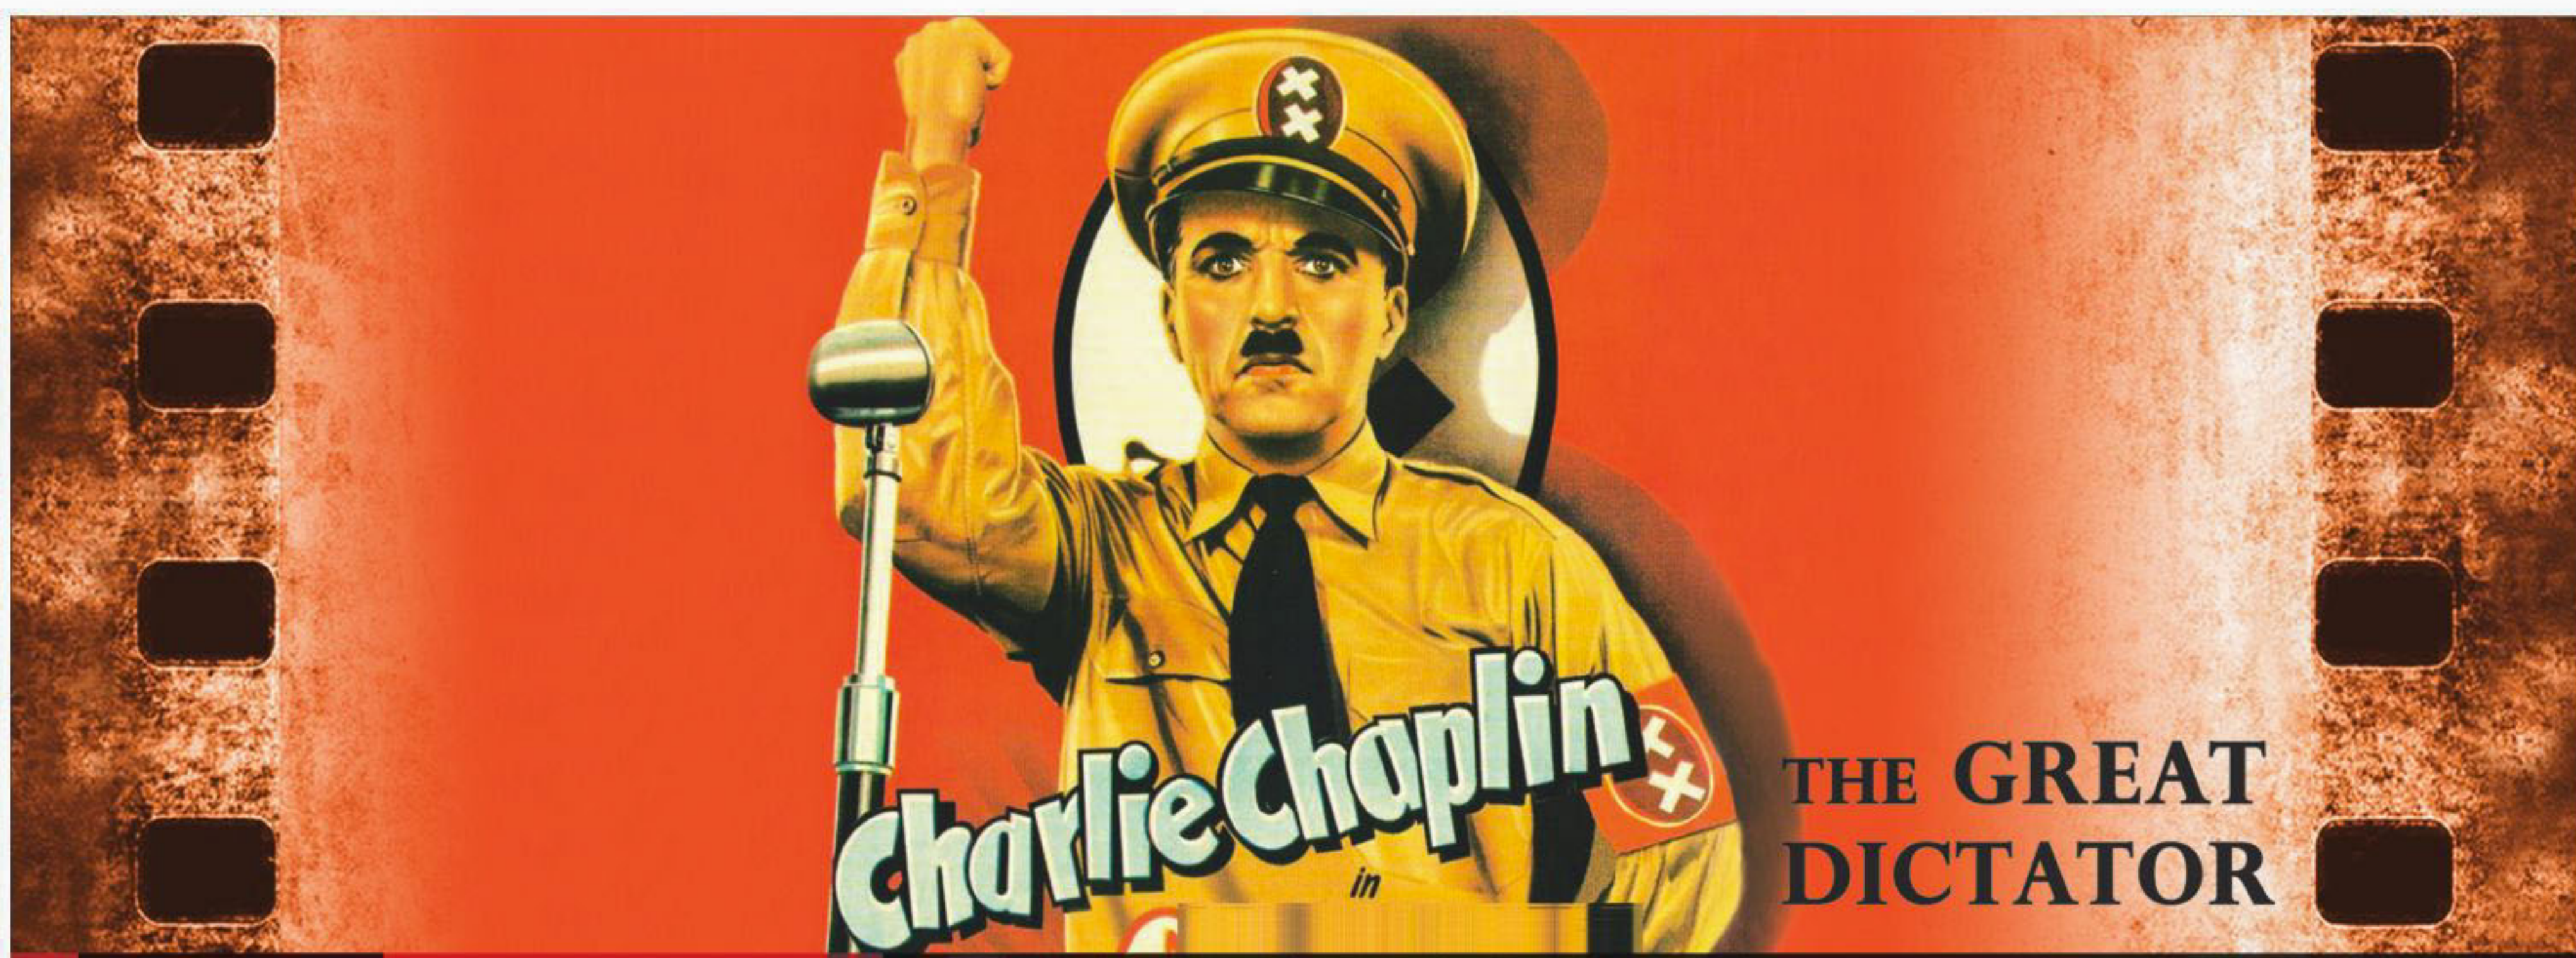

What is the message you would like to give to all the young people trying to enter your profession?

Don't enter. You guys will only make it more competitive. Jokes apart, be prepared to work your ass off then surely you can achieve your dream.

Who is or are your inspiration?

I am me. So I inspire myself.
