While daytime in Dhaka city can be seen as chaotic and hectic, night time, to most of us, seems serene, quiet and mysterious. To some individuals though, that is the time they're most geared up to do their jobs. Night guards, designers, musicians— whether it is their allocated time of work, or just the time of day when they have their creative juices flowing, their night life in Dhaka will differ greatly from the ordinary worker. Read about the various night workers of Dhaka city, in this weeks Spotlight on pages 8-9.

3 FOR THE LOVE OF FOOD
